Kimberley Wilderness Lodges to a T.

ESSENTIAL TOUR INFORMATION

APT Wilderness Lodges

At APT Luxury Travel, our three Wilderness Lodges located at Bungle Bungle Range, Mitchell Falls and Bell Gorge are thoughtfully designed to embody our philosophy: a touch of luxury in the heart of the wilderness. These retreats offer the comforts of home in some of Australia's most remote and breathtaking locations.

Each lodge features tented cabins, appointed with king or twin beds, private en suite with hot showers and flushing toilets, and a private front deck—perfect for soaking in the tranquil bushland from a comfortable deck chair.

Our dedicated APT Lodge Hosts are passionate about creating a warm and welcoming atmosphere. From the moment you arrive, you'll be met with exceptional service and genuine hospitality, ensuring your stay is both relaxed and memorable.

Our lodges are ideally located to enhance your Kimberley experience, offering convenient access to the region's key attractions, reducing travel time and allowing for deeper exploration of each remarkable destination.

Check-in time is from 3pm, and check out is by 10am.

National park entry fees are not included as part of your accommodation. Park passes can be purchased online at explore.parks.dbca.wa.gov.au/park-passes, at Visitor Centres, or upon entry at the national park.

Dining

At each Wilderness Lodge, our talented chefs craft mouth-watering cuisine that turns every meal into a highlight of your Kimberley adventure. In the morning, awaken to a hearty full breakfast that sets the tone for the day ahead. Each evening, indulge in a superb three-course set menu, thoughtfully prepared using fresh, seasonal

ingredients, offering a refined taste of the region in the heart of the Outback. Dinner is served promptly at 6.30pm, so we recommend checking in prior to this time to fully enjoy the evening experience.

A packed take-away lunch is also available at an additional cost.

If you have specific dietary requirements, please let us know at the time of booking so we can ensure your needs are met.

Beverages

APT's luxury Wilderness Lodges are fully licensed, offering a curated selection of beer, wine, and spirits available for purchase.

Please note that bringing your own alcohol is not permitted.

Kimberley Climate

The Wet Season (November to April)

This season is characterised by warm to hot, humid weather, often accompanied by spectacular thunderstorms, dramatic lightning displays, and breathtaking sunsets. Rainfall typically arrives in brief but intense downpours, rejuvenating the flora during these months. However, many roads become inaccessible during this time. For these reasons we do not operate our Wilderness lodges in the wet season.

The Dry Season (May to October)

Daytime temperatures during this season are generally mild to warm, but can drop sharply at night, often becoming very cold. The weather is typically more stable, with clear blue skies, gentle breezes, and dry conditions prevailing most days. Please note: Night-time temperatures across the Kimberley can fall below 0°C during June and July, especially in the Bungle Bungle Range.

Handy Tips for Self Driving in the Kimberley

For many travellers, a trip to the remote Kimberley region is a once-in-a-lifetime experience. Below are some tips to help you prepare and make the most of your time in the Kimberley:

- If you plan to hire a 4WD vehicle, please ensure your travel insurance includes coverage for driving on unsealed roads, particularly on Kalumburu Road.
- Ensure your car insurance has specific cover for remote locations.
- Be prepared for journeys to take longer than planned as road conditions are subject to unexpected changes.
- Carry at least two spare tyres, sufficient water and supplies as there may not be stores when you need them.
- Maintain low tyre pressure to ensure a smooth journey.
- Night time temperatures can drop below 0°C, make sure to pack appropriate clothing.
- Road conditions continuously change in the Kimberley, for the most up to date information we recommend visiting the Main Roads Western Australia website at mainroads.wa.gov.au.

Sustainability

As the sole major tour operator to have Advanced Ecotourism Certification in the Kimberley, we're proud to be number one with the discerning traveller. In 2026, we celebrate not only 20 years of this certification, but also our induction into the Ecotourism Hall of Fame, recognition that reflects our commitment to low-impact experiences in this pristine environment. Each lodge operates on a 'leave no trace' philosophy to ensure we tread lightly and leave minimal economical footprint. Our initiatives include using environmentally friendly cleaning products, returning all recyclable items to Broome for processing, adopting solar/diesel hybrid systems to cut down on fossil fuels, and utilising ABCO systems for recycling water.

You can play your part by following these simple guidelines:

- Use water sparingly by taking shorter showers. Due to water being a limited resource, we are unable to offer laundry facilities at our lodges.
- Eco-friendly shower amenities are provided at our lodges. If you bring your own personal care amenities, please ensure they are biodegradable.
- Only smoke in designated areas while staying at our lodges.
