OneTomorrow
CHARITABLE FUND

The OneTomorrow Charitable Fund is an initiative established by The APT Travel Group. OneTomorrow's mission is to make a positive and enduring impact on nature and the communities we touch. Supporting various charitable initiatives around the world, we aim to create immediate and long-term change in important environmental and humanitarian causes.

A World of Difference

At OneTomorrow we believe in travel as a platform for change. Across The APT Travel Group, we've partnered with a range of organisations and implemented initiatives to help protect the environment and ensure the wellbeing of local people wherever we go.

Making Travel Mean More

Working together, we can support not-for-profit organisations to continue helping their communities. Donations through OneTomorrow are tax deductible*, and all donations will be matched dollar for dollar. So together we can double our impact.

With your support, we continue to make a meaningful impact.
