APT's Next Century Unfolds

APT has led the way in travel for a remarkable 100 years. From a single Melbourne bus route in 1927 to journeys spanning every corner of the globe, reaching this milestone is no small feat — few ever do. Our centenary reflects an extraordinary legacy of vision, passion and excellence, built across generations.

What began as a humble family business has become a world-renowned travel company. Yet at our core, we remain proudly family-owned, proudly Australian, and as committed as ever to creating unforgettable journeys. As we salute our first century, our sights are firmly set on the next — and we're thrilled to embark on it with you.

A legacy like no other. A future without limits.

Our centenary is more than just a number. It's a rare and remarkable achievement — a testament to the millions of guests we've welcomed, the passionate people who've shaped our story, and the spirit of innovation that has driven us since day one.

As we step into our second century, we're investing in what lies ahead: building new ships, unveiling extraordinary experiences, enhancing our Wilderness Lodge network and continuing to deliver what has defined APT for 100 years — impeccable service, awe-inspiring journeys, and every detail curated to the finest touch.

Join us as we forge ahead — and discover the world like never before with APT.

Key Terms and Conditions

This is a summary of key terms and conditions only. Please visit www.aptouring.com/terms-and-conditions for full Terms and Conditions, or request a hard copy from your travel agent or from APT directly. The full Terms and Conditions apply to and govern our relationship with you and all arrangements you ask us to make and that we make on your behalf. By asking us to confirm your booking, we are entitled to assume that you have read the full Terms and Conditions, that you agree to them, and that you agree that they apply to any arrangements that you book with us and which we agree to make.

Price Validity

Prices in this brochure were correct at time of publication but are subject to change. The most up-to-date pricing will be found on our website – www.aptouring.com. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Travel Insurance

Travel insurance is not included in your holiday package. For peace of mind, we strongly recommend that you purchase appropriate fully comprehensive travel insurance suitable for your trip. For some destinations Travel insurance is mandatory, please refer to the website for your destinations requirements.

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package. All airfares are subject to flight and class availability and will be booked on receipt of your deposit to avoid price or tax increases. Once air tickets are issued, amendment and cancellation fees and conditions apply and, in some cases, are non-refundable.

Overseas Airport Transfers

Airport transfers are included on the first and last day of the holiday package and may be at designated times. They are not refundable if not used and cannot be re-routed. Other than the included transfer, all other transfers are at the travellers' own expense.

Freedom of Choice

Minimum and maximum group numbers apply on some Freedom of Choice tours. If your first choice is not available, you may be asked to choose an alternative.

Cancellation Policy

The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels). Cancellation fees charged depending on days prior to departure may vary by destination. Please refer to our website for cancellation fees specific to your tour destination:

Days of Notice

(Prior to Departure): Fee Per Person:

100 days or more	Loss of deposit
99 – 70 days	30% of holiday package price
69 – 63 days	40% of holiday package price
62 – 33 days	60% of the holiday package price
32 – 15 days	90% of holiday package price
14 – 0 days	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are

reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

Please see our full Terms and Conditions for more details of APT cancellation fees, and details of fees relating to cancellation of or changes to ticketed airfares.

APT Deposit Cancellation Peace of Mind

Booking deposits vary by destination, please refer to the full APT terms and conditions for information. The holiday package can be cancelled up to the final payment due date and your deposit will be returned as an APT holding credit to be used for future bookings. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels.

Passports and Visas

All passengers must have a passport valid for at least six months after the holiday package return date. Passengers must consult the appropriate consulates or government websites to ensure they have any required visas or documentation for the countries included in their holiday package.

Disruption to Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons, including reasons beyond APT's control. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary.

Limitation of Liability

Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents or employees of APT. APT is not responsible for the conduct of the independent providers or their agents or for any ramifications of that conduct. APT accepts no responsibility for any death, injury, illness, loss, damage, detention, or delay beyond its control. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in our terms and conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused.

Force Majeure

Force Majeure event means the occurrence of an event that is beyond APT's reasonable control, and which could not have been reasonably prevented by APT. For a non-exhaustive list of examples of Force Majeure events, please see our full Terms and Conditions.

Termination of Booking Contract or Change of Travel Arrangements Due to Force Majeure

If APT, in its reasonable opinion, considers that any Force Majeure event prevents APT (directly, or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part);

or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Case of Force Majeure

If APT cancels or changes your travel arrangements in any way due to a Force Majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the Force Majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a Force Majeure event. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all medical fees.

Gratuities

Gratuities for the land portion of your tour, shore excursions, and on board your cruise are included in the tour price. Gratuities cannot be redeemed for cash.
