Please see our full Terms and Conditions for full details of Travelmarvel cancellation fees, and details of fees relating to cancellation of or changes to ticketed airfares.

Travelmarvel Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled up to the final payment due date and your deposit will be returned as a Travelmarvel holding credit to be used for future bookings. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels.

Passports and Visas

All passengers must have a passport valid for at least six months after the holiday package return date. Passengers must consult the appropriate consulates or government websites to ensure they have any required visas or documentation for the countries included in their holiday package.

Disruption to Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons, including reasons beyond Travelmarvel's control. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary.

Limitation of Liability

Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents or employees of Travelmarvel. Travelmarvel is not responsible for the conduct of the independent providers or their agents or for any ramifications of that conduct. Travelmarvel accepts no responsibility for any death, injury, illness, loss, damage, detention, or delay beyond its control. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in our terms and conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended. To the full extent permitted by law, Travelmarvel's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused.

Force Majeure

Force Majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not have been reasonably prevented by Travelmarvel. For a non-exhaustive

list of examples of Force Majeure events, please see our full Terms and Conditions.

Termination of Booking Contract or Change of Travel Arrangements Due to Force Majeure

If Travelmarvel, in its reasonable opinion, considers that any Force Majeure event prevents Travelmarvel (directly, or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Case of Force Majeure

If Travelmarvel cancels or changes your travel arrangements in any way due to a Force Majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the Force Majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a Force Majeure event. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

Medical Assistance

Travelmarvel does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all medical fees.

Gratuities

Gratuities for the land portion of your tour, shore excursions, and on board your cruise are included in the tour price. Gratuities cannot be redeemed for cash.
