Celebrating a Century of APT

APT has led the way in travel for a remarkable 100 years. From a single bus route in 1927 to journeys spanning every travel style and corner of the globe, reaching this milestone is no small feat — few ever do. Our centenary reflects an extraordinary legacy of vision, passion and excellence, built across generations.

What began as a humble family business has become a world-renowned travel company. Yet at our core, we remain proudly family-owned and as committed as ever to creating unforgettable journeys. As we salute our first century, our sights are firmly set on the next — and we're thrilled to embark on it with you.

A legacy like no other. A future without limits.

Our centenary is more than just a number. It's a rare and remarkable achievement — a testament to the millions of guests we've welcomed, the passionate people who've shaped our story and the spirit of innovation that has driven us since day one.

As we step into our second century, we're investing in what lies ahead: building new ships, unveiling extraordinary experiences, enhancing our Wilderness Lodge network and continuing to deliver what has defined APT for 100 years — impeccable service, awe-inspiring journeys, and every detail curated to the finest touch.

Join us as we forge ahead — and discover the world like never before with APT.
