“If you are happy to rise early and embrace what each day offers, then this is an absolutely brilliant way to see as much of New Zealand as possible in 17 days. The itinerary gave an overview of each day, but it was added to by all the little extras visible from the coach as we were transported along, coupled with an informative Tour Director who filled us in with some history without going over the top. This was my bucket-list trip and it did not disappoint.”

# ITALY

*From artistic treasures to rolling vineyards,  
Italy promises a feast for the senses.*

.....

In Italy, the past endures vividly, etched into stone, painted across ceilings, tasted in every dish. From the ancient ruins of Rome to the artistic soul of Florence, every corner holds a story. Step into a world of Renaissance masterpieces, Roman relics, vibrant coastlines and world-class cuisine, where history, culture and beauty intertwine effortlessly. Wander through cobbled piazzas, where espresso-fuelled mornings drift into golden-hour aperitivos. Marvel at the power of ancient empires in the heart of Rome, or trace the echoes of everyday life famously preserved by volcanic ash in Pompeii. Along the Amalfi Coast, dramatic cliffs cradle sun-drenched towns, and the scent of citrus lingers in the air.

Florence brims with artistic treasures and quiet marvels, from iconic sculptures to tucked-away wine windows. Venture into Tuscany's patchworked hills for long lunches under vine-covered pergolas, and sip wines with the families who've cultivated the land for generations. In Venice, beauty rises from the iconic canals. Here, centuries-old craftsmanship lives on in glassblowing studios and gondola workshops. Lose yourself in laneways where the sound of footsteps replaces the hum of traffic, and every turn reveals something unexpected.

# SOUTH AMERICA

*Uncover the seductive rhythms of iconic cities, the mystical aura of Inca ruins and the majesty of epic landscapes.*

.....

A continent of superlatives, South America is home to the world's largest river and longest mountain range. From the vibrant energy of Rio de Janeiro, where soaring peaks meet turquoise seas, to the rhythm of street parties and the iconic view from Christ the Redeemer, Brazil's cultural heart is impossible to resist. Over in Argentina, it's easy to fall for the charm of Buenos Aires. Known as the 'Paris of the South', the capital is rich in colourful architecture, layered history and a dynamic mix of European elegance and edgy Latino flair. Further west, explore the stylish Chilean capital of Santiago, nestled between the Andes and the Pacific Ocean. With grand boulevards, historic buildings, colourful neighbourhoods and a thriving arts scene, the city surprises at every turn. Be awed by the wonders of Peru, as you explore the ancient citadels of the Sacred Valley and uncover time-honoured traditions.

From the cascading waters of Iguazú Falls to the tranquil Lake Titicaca, the landscapes here feel gifted from the heavens. And crowning it all is one of the most iconic archaeological sites in the world — Machu Picchu, the Lost City of the Incas — perched high in the Peruvian Andes, where ancient empires once ruled.

# GENERAL INFORMATION AND CONDITIONS

The following terms and conditions ('Booking Conditions') form the basis of your contract with Australian Pacific Touring (U.K.) Limited ('APT', and 'Travelmarvel by APT' and 'Kimberley Wilderness Adventures', 'we' or 'our'), 3rd Floor, 52 Grosvenor Gardens, London SW1W 0AU, which is registered in England under company number 01662539. Please read them carefully as they set out your and our respective rights and obligations. By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these Booking Conditions, that you agree to them and that you agree to them applying to your holiday arrangements that you book with us and which we agree to make, provide or perform (as applicable) as part of our contract with you. References in these Booking Conditions to your 'holiday package' are references to the tour or cruise package you have booked with APT. References to "excursions" are references to short trips or tours included or available as part of your holiday package. The Conditions and Information set out below are correct at time of printing. For details of our up to date terms and conditions for holiday bookings, please see [www.aptouring.com/legal/general-information-conditions](http://www.aptouring.com/legal/general-information-conditions)

## BEFORE YOU BOOK

### Price Validity

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up to date pricing may be found on our website - [www.aptouring.com](http://www.aptouring.com). Prices will be confirmed at time of booking and honoured for up to seven days. Once the security deposit is paid the price will be guaranteed. All holidays are subject to availability at the time of booking.

We reserve the right to cancel the booking if you do not wish to accept the correct price applicable to your holiday package. In such circumstances you will be given the choice of amending your booking to an alternative holiday. Changes in transportation costs, including the cost of fuel dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no price change within 30 days of your departure. We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value) or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel you must do so within 14 days from the date of notification of the change in the price of your holiday. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

### Choosing your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our qualified staff are available to discuss your options.

### Travelling with Minors

Children under 12 years of age are not permitted on tours and cruises. All children under 18 years of age must be accompanied by an adult and share their accommodation with an adult. We reserve the right to limit the number of children between the ages of 12 and 18 on board any coach or vessel.

### Transfers at Your Destination

Where stated, transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the ship/hotel at their own expense. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group.

### Freedom of Choice and Signature Experiences

Valid only on Luxury tours. Minimum and maximum group numbers apply on some Freedom of Choice or Signature Experiences. If your first choice is unavailable, you may be asked to choose an alternative.

### Travelmarvel Select Experience Tours

Valid on Escorted Touring only. Experiences are subject to availability and cannot be pre-booked unless specified. These experiences must be booked and paid for while on tour.

### Public Holidays/Festivals

Virtually all countries have public holidays, religious or otherwise. These festivities may temporarily disrupt your holiday and some religious holidays may result in a reduction of facilities and entertainment.

### Special Offers

Special Deals and Special Offers other than those advertised herein may be promoted by APT after the program is released. These new special deals/offers do not apply to existing bookings unless otherwise stated. Special offer terms and conditions may differ and full details will be advised at the time of booking.

## BOOKING AND PAYING FOR YOUR HOLIDAY

### Your Contract

When you make a booking, you guarantee that you have the

authority to accept and do accept on behalf of your party the terms of these Booking Conditions. A contract will exist as soon as we issue our booking confirmation, which will include full details of your booking and an invoice in respect of same. You will also be provided, where your holiday package includes a flight, with an ATOL certificate (see clause 'Consumer Protection - ATOL' for more information). The contract is made on the terms of these Booking Conditions, which are governed by English Law, and the jurisdiction of the English Courts. If your booking is made through a travel agent we will address all communications to that travel agent, who will act as agent for you in regard to all communications from us to you. When you buy a holiday package including a flight, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by them on our behalf at all times, pending their transfer to us.

### Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airports available may vary depending on the holiday booked and will be advised at the time of booking. Airfares may be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Please note that flights may be indirect and some airlines charge for luggage separately. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

### Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points, as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

### Flight Changes

The flight shown on your booking confirmation are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these Booking Conditions. APT is not liable for any additional costs incurred due to airline schedule changes.

### Out of Date Range Flights

If airlines have not published their schedule at the time of booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing to you by sending you an updated invoice. Once flights have been confirmed by you or your travel agent and payment has been received APT will issue your ticket/s.

### Travel Insurance

Travel insurance is not included in your holiday package. You are required to purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, personal liability, delay, cancellation curtailment, missed departures, airfare charges that may occur due to cancellation, impossibility of performance or other frustrations, disruptions, loss of deposit, strikes and legal expenses. Please note that special insurance may be required if you intend to participate in sports or activities that have been arranged independently of us. Before departure we will require a proof of your insurance policy. For Kimberley Wilderness Adventures, you are required to take out a policy at the time of booking for all tours and ensure it covers for remote evacuations, which may be at a high cost.

### Travel Information and Documents

After booking, you will receive an invoice with important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Approximately 21 days before departure you will receive your ticket together with your final itinerary. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Documentation may be emailed to you at the discretion of APT in the case of late bookings, charges, late payment or special offers.

### Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your booking confirmation or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

### Website and Brochure Accuracy

APT has endeavoured to ensure that the information given on our website and in our brochures about accommodation, itineraries etc., is correct to the best of its knowledge at the time of going to publish/print. However, advertised descriptions and facilities and prices may change. We recommend that you confirm the details of your chosen holiday package at the time

of booking. Additionally, flight times, hotels, carriers and routes on the website and in the brochure are given for guidance only, as there may be changes. Final details will be shown on your travel documentation. Holiday package or excursion itineraries may change or be different from those described as a result of, by way of example and not limited to, local conditions, weather conditions and/or annual events. APT can give no guarantee as to exact arrival and departure times for carriers and operators used on the cruise/tour. APT will endeavour to notify you of any significant changes prior to your departure.

### Changes due to Weather

Sometimes due to elements beyond APT's control, it may be necessary to make alterations to your itinerary. A number of Freedom of Choice sightseeing inclusions are weather dependant. In Canada, the Blue River Safari and Niagara Falls cruise start operating mid-May. The Tundra Wilderness Tour is seasonal, departures in May and September may operate on a modified itinerary. The Athabasca Glacier Ice Explorer may not operate until early May, if unavailable a refund or alternative will be offered on tour.

### Local Purchases

APT is not responsible for any items you may purchase locally i.e. jewellery/furniture etc. You acknowledge that you are solely responsible for any import duty or freight costs.

### Personal Belongings and Lost Items

For security reasons, valuables should be kept to a minimum and packed in your hand luggage along with your medicines, camera, film, electrical or battery-operated appliances. It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

### Data Protection Policy

APT is fully committed to compliance with all applicable data protection laws. We process information about you that you provide when making a reservation in accordance with our privacy policy. By providing this information you consent (on your behalf and on behalf of any person for whom you are booking) to such processing and you warrant that all information provided by you is accurate. Full details on our privacy policy may be found on our websites [www.aptouring.com/privacy](http://www.aptouring.com/privacy) or by request to us [dataprotection@aptouring.co.uk](mailto:dataprotection@aptouring.co.uk).

### Limitation of Liability

1. APT agrees that the holiday arrangements it will make, perform or provide, as applicable, as part of the contract with you will be made, performed and provided, as applicable, with reasonable care and skill. If the contract we have with you is not performed or is improperly performed by us or our suppliers and this affects the enjoyment of your travel arrangements, then you may be entitled to an appropriate price reduction or compensation or both. However, we will not be liable where any failure in the performance of the contract is due to: you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. We will only be responsible for what employees do or do not do if they were acting within the course of their employment and we will only be responsible for what agents or suppliers do or do not do if they were at that time carrying out work that we had asked them to do. Please note that it is your responsibility to show that reasonable care and skill has not been used if you wish to make a claim against us.
2. Our suppliers (such as accommodation or transport providers) have their own booking conditions or conditions of carriage, and these conditions are binding between you and the supplier. Some of these conditions may limit or remove the relevant transport provider's or other supplier's liability to you. You can get copies of such conditions from our offices (3rd Floor, 52 Grosvenor Gardens, London SW1W 0AU or Telephone: 0800 012 6686) or the offices of the relevant supplier.
3. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:
  - a. The contractual terms of the companies that provide the travel services that make up your package, such terms are incorporated into this booking; and
  - b. Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices (452 Grosvenor Gardens, London W1B 5AW or Telephone: 0800 012 6686. Under English law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at UK airports and available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these Booking Conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific

- a. Medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.
2. The optional excursions are not operated by or at the direction or on behalf of APT or its employees or agents or any other persons or companies associated with APT. By taking bookings for these cruises/ tours, APT acts as each optional tour operator's agent.
3. On holidays including activities such as but not limited to trekking, quad biking, electric bikes, horse riding and swimming, passengers accept that there is a material element of risk involved.
4. In the event that you wish to make a claim or complaint against us, both the services that we have agreed to provide or arrange as part of the contract between you and us and the laws and regulations of the country in which the claim or complaint occurred will be taken into consideration in determining whether or not the services were properly provided. If the services provided comply with local laws and regulations, the services will be treated as having been properly provided, even if the services did not comply with the laws and regulations of the UK, unless the claim or complaint relates to the failure to provide a safety feature which may cause a reasonable holiday maker to refuse the particular arrangements.
5. If you, or any member of your party have a medical condition or disability which may affect your holiday, please tell us before you confirm your cruise/tour booking so we are able to advise as to the suitability of your chosen arrangements. In any event, you must provide us with full details in writing at the time of booking. If we reasonably feel we are unable to properly accommodate particular needs of the person concerned, we reserve the right to decline the booking or ask for the person to be accompanied by a person who is able to provide full assistance to them throughout their cruise/tour. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from the tour or cruise. APT is not liable to you for any costs associated with such a decision and you will not be refunded for any part of the holiday package.

#### IF WE CHANGE OR CANCEL YOUR HOLIDAY BEFORE YOUR DEPARTURE

APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airline, hotels etc., over whom we have no direct control. On occasions changes do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly.

If we make a significant change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. Examples of significant changes include [a change of destination; a change in accommodation to that of a lower category; a change in the time of your departure or return flight by more than 12 hours, and a change of UK departure airport]. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (if you choose an alternative which is more expensive you must pay the difference but we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid for arrangements made by APT. You must tell us which one of the above choices you make within 7 days of being informed of the significant change we are making, or as soon as reasonably practicable if your departure is less than 7 days from the date you receive notification. If we do not receive notification from you about your choice you will be deemed to have opted to cancel the holiday package.

You may also be entitled to compensation in the event of a significant change to your holiday package, unless such cancellation or significant change arises due to unavoidable and extraordinary circumstances beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

These options do not apply for minor, insignificant changes. Examples of minor changes include [alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers]. Please note that airlines referred to in the brochure may be subject to change. We will in any event ensure that you are notified about any such minor insignificant changes. No compensation is payable in respect of minor changes.

We will take reasonable steps to avoid having to cancel your booking. We may need to do so, however, due to unavoidable and extraordinary circumstances beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken, or for failure by you to pay any outstanding amount. We may also cancel your holiday package if the minimum number of clients required for a particular holiday package is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of an alternative holiday package of comparable standard from us, if available, subject to you paying any additional costs (we will refund any price difference if the alternative is of a lower value).

If we cancel the holiday package or make a significant change that you do not accept, we will pay compensation as detailed below, except where the significant change or cancellation arises due to unavoidable and extraordinary circumstances beyond our control or that of our suppliers or contractors, the consequences of which could not have been avoided even if all reasonable measures had been taken, for example, due to:

- war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts,
- natural disaster (including but not limited to flooding, fire, earthquake, landslide),
- nuclear or other industrial accident,
- adverse weather conditions,
- high or low water levels,
- epidemics and pandemics,
- unavoidable technical problems with transport,
- airports and ports being closed or full,
- changes brought about as a result of recommendations made by the Foreign and Commonwealth Office or any

other government or international organisation or agency or the police, and

- changes to laws, rules and/or regulations of any country preventing access to locations or the provision of services.

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Amount you will receive per person:
100 days or more	No compensation
75-99 days	£20.00
51-75 days	£30.00
26-50 days	£40.00
0-25 days	£50.00

If it is impossible to ensure your return as agreed in the contract with us due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible, of equivalent category, for a maximum of three nights for each member of your booking. The limit does not apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday package.

#### Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from a visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

#### Smoking

For other passengers' comfort there is no smoking on coaches or river cruise ships, except in designated areas where available.

#### Responsible Service of Alcohol

#### Service Complaints

If a problem occurs during your holiday you should, in your own interests, advise your Tour Director so that steps can be taken to resolve the matter. If your complaint is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Services Department at info@aptouring.com or 3rd Floor, 52 Grosvenor Gardens, London SW1W 0AU, giving your booking reference and all other relevant information. It is strongly recommended that you communicate any complaint to the supplier of the services as well as to our representative without delay and complete a report form whilst on holiday. If you fail to follow this procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. In the rare event of a dispute which cannot be settled amicably we can also offer you an arbitration scheme for the resolution of disputes arising out of this contract. The scheme is arranged by ABTA and administered independently. The upper limit on claims is £5,000 per person and £25,000 per booking form. This scheme does not apply to claims which are solely in respect of physical injury or illness or their consequences. It can however deal with claims which include an element of minor injury or illness subject to a limit of £1500 on the amount the arbitrator can award per person in respect of this element. Your request for arbitration must be received by ABTA within eighteen months of the date of return from holiday. For injury and illness claims, you can request the ABTA Mediation Procedure and we have the option to agree to mediation. Please also see clause 'Consumer Protection - ABTA'.

#### Consumer Protection - ATOL

The flight-inclusive holidays featured on this website are ATOL protected. APT holds an Air Organisers Licence granted by the Civil Aviation Authority. Our ATOL number is ATOL 6781. When you buy an ATOL protected flight or flight inclusive holiday package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). For more information visit [www.caa.co.uk/atol-protection](http://www.caa.co.uk/atol-protection).

#### Consumer Protection - ABTA

APT is also a member of ABTA with membership number V9080. ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. APT has provided a bond to ABTA for the protection of monies paid to us in respect of package holidays that do not include flights. This protection follows the guidelines of the latest European legislation and complies fully with all legal requirements within the UK. For further information about ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint, please contact ABTA, 30 Park Street, London SE1 9EQ. Telephone: 0203 117 0500 or visit: [www.abta.com](http://www.abta.com).

If guests require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), they must travel with a companion capable of providing the required assistance or care. People who are deaf or hard of hearing must share accommodation with a person capable of hearing alarms in cabins. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles including river and

ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. Guests must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side-by-side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. APT ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks, tender boats, riverbanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Due to the lack of infrastructure along the riverbanks, and absence of lifts on board vessels, wheelchairs will be of minimal use. Cabin doors and restrooms on river cruise ships are not wide enough to allow access by standard wheelchairs. For safety reasons, passengers using wheelchairs cannot be carried on ramps in ports where the river cruise ship is at anchor. APT is unable to provide individual assistance to any passenger for walking, dining, disembarking or embarking cruise ships and/or coaches or other transportation vehicles or other personal needs.

##### Health and Fitness

A high level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. We recommend a visit to the doctor before travelling and consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers.

If your holiday package includes a Holland America cruise, you may be required to complete an additional Holland America form.

Small Group Journeys and 4WD Kimberley tour in Australia, requires a high level of mobility is needed boarding or alighting vehicles, and partaking in sightseeing walks on uneven ground. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it.

We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

##### Shore Excursions

The timing of the shore excursions on all cruise ship holiday packages may differ slightly for each package. The published times are a guide only and are subject to change without notice. Passengers must be able to climb ramps to embark or disembark cruise ships and tenders. Expedition cruising holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs or tenders.

#### IF YOU NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If you want to change any part of your holiday package after the booking confirmation has been issued, we will do our best to make the change, but it may not be possible. Some arrangements cannot be removed or changed once they have been added to your booking for example transfers or flight options, and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Certain additional services may also be non-refundable.

Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge of £50 and payment of any further costs incurred as a result of the change. You should be aware that these costs could increase closer to the departure date that changes are made and you should contact us as soon as possible.

When changing your holiday package details, the price of your new travel arrangements will be based on the price that applies on the day you make the change. Where accommodation is priced according to the number of people staying there, and your party size changes, we will recalculate your booking cost

based on the new number of people going, and this may increase the cost per person. This extra cost is not a cancellation charge, and it is not normally covered by insurance, however, please check with your insurance provider.

If you are prevented from travelling then you can transfer your booking to another person, provided that the following conditions are met:

- a. You give reasonable notice of your intention to make such a transfer and no later than 7 days from the date of departure;
- b. You authorise the transfer in writing;
- c. The new person accepts the transfer and these Booking Conditions;
- d. That person otherwise complies with these Booking Conditions;
- e. That person has valid holiday insurance.

We reserve the right to charge you any additional fees, charges or other costs arising from the transfer of your booking. We will notify you of such transfer costs in advance of the change taking effect. A new invoice will be issued in the name of the new person. The new person, and you should they fail to pay, will be responsible for the payment of all costs incurred in making the transfer and any balance due. Please bear in mind that certain airlines and other transport providers treat such changes as a cancellation and charge accordingly, and sometimes up to 100% of the cost for that part of the arrangement. Where applicable these charges will be passed on to you.

##### Cancellation Policy

For all holiday packages in this brochure, if you choose to cancel the following APT cancellation fees apply:

Period before departure in which you notify us:	Cancellation charge:
100 days or more	Loss of Deposit
99 to 70 days	30% of the holiday package price
69 to 63 days	40% of the holiday package price
62 to 33 days	60% of the holiday package price
32 to 15 days	90% of the holiday package price
14 to 0 days	100% of the holiday package price

If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges. Where extra facilities or transport options are non-refundable, in part or in full, the cost of these will be added to the cancellation charge you have to pay. All cancellations must be received in writing by APT and are not effective until this has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may be charged in respect to accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent. You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of £50 per person in addition to any applicable cancellation fees.

##### Cancellation of Ticketed Airfares

Scheduled airlines normally regard name changes and changes to departure dates as a cancellation and rebooking, which may attract a cancellation fee. Applicable cancellation fees may amount to 100% of the airfare.
