**Day 01. Arrive Dubrovnik, Embark Yacht**  
Fly from the UK and on arrival in Dubrovnik, be met at the airport and transferred to your yacht, the MV Lady Eleganza. The yacht was specially designed and built in Croatia for cruising the Adriatic coast. Tonight, enjoy a welcome dinner and stay overnight in this magnificent town.

**Eight Nights:** MV Lady Eleganza.

**Day 02. Dubrovnik, Korčula**  
This morning, embark on a guided tour of Dubrovnik. Then, set sail and perhaps stop for a swim on the uninhabited island of Jakljan (weather permitting). On arrival in Korčula, set out on a guided walking tour before dinner. Your yacht will dock here overnight.

**Day 03. Korčula, Vis**  
Set out on a walking tour of Korčula this morning. Later, cruise to one of Croatia's most captivating islands, Vis. After World War II, the island was used as a military base for the Yugoslav army and only opened up to tourism in 1989. This extended period of isolation and

lack of infrastructure development protected the island's natural beauty, which is now its main draw-card. Your luxury yacht will dock in Vis overnight.

**Day 04. Vis, Hvar, Split**  
Today, set sail for Hvar, where you will take a short coach ride across the island to the stunning Old Town of Hvar for a guided walk. Begin in the iconic main square, the largest piazza in Dalmatia, then see the cathedral and the Franciscan Monastery. Afterwards, continue to Split.

**Day 05. Šibenik, Radošić**  
Set sail for Šibenik this morning. On arrival, travel to the traditional village of Radošić for a special experience. Sample local brandy and homemade doughnuts, then watch as the locals perform a dance that has been passed down through generations since the 18th century. Afterwards, enjoy a cooking demonstration showing how the villagers make their bread, before a tour of the village and a delicious meal.

**Day 06. Šibenik, Krka National Park, Zadar**  
Today, head to beautiful Krka National Park. Here, explore dramatic waterfalls, the highlight of which is Skradinski Buk, a large natural pool with high waterfalls at one end and countless cascades at the other, with rushing river water forcing its way through a barrier of tiny islets. Take a walk along wooden jetties and bridges to admire the falls, and the unique flora and fauna. Later, cruise to Zadar.

**Day 07. Zadar, Pag, Rab**  
This morning, enjoy a guided walk through Zadar's well-preserved Old Town, viewing Roman columns, Romanesque churches and Renaissance palaces. Continue to Pag, where you will have another chance to swim in the stunning Adriatic Sea straight off the

spacious rear deck of your yacht. Continue to Rab, where your yacht will dock overnight, giving you a chance to enjoy the delights of the town after the busy daytime crowds have dispersed.

**Day 08. Rab, Krk, Opatija**  
In Rab, meander through the narrow alleys of the picturesque Old Town. Then, sail to the beautiful island of Krk. Weather permitting, your yacht will drop its anchor so you can enjoy a swim from your yacht's swimming platform. Afterwards, sail to Opatija and embark on a guided tour. Tonight, celebrate your journey along the Croatian coast at a farewell dinner.

**Day 09. Opatija, Disembark Yacht, Depart Zagreb**  
After a final breakfast, say a fond goodbye to the MV Lady Eleganza and its crew before a transfer from Opatija to Zagreb Airport for your return flight to the UK.

Explore the Old Town of Rab.

.....

Beyond the beaten path, enjoy an intimate discovery of your chosen destination on a Small Group Journey. Limited to an average of just 18 guests, these journeys allow a more in-depth cultural immersion with a personal touch.

Portugal’s colourful cities beckon the intrepid explorer. In Belém, the birthplace of pastel de nata (Portuguese tarts), learn the art of creating these delicious Portuguese staples, before biting into the crisp pastry and soft custard as you reap the benefits of your efforts.

In Granada, the clacking of castanets and stomping of heeled feet during an authentic flamenco performance will captivate the attention of an entire crowd. Then, enjoy the exclusive chance to meet the family working behind-the-scenes of the show. The Spanish culinary scene needs little introduction — its appetiser-sized tapas dishes may be small, but they’ve made a large impact on global cuisine. Spend an evening in Seville wandering the old town tabernas for the city’s best tapas.

Another nation renowned for its gourmet offerings is Italy. Embody ‘La Dolce Vita’ by taking pleasure in the little things in life, like sipping a refreshing limoncello spritz, connecting with locals while sampling local cuisine at a Tuscan winery, and exploring piazzas and impressive basilicas on foot. In Venice, the countless canals and stone-hewn bridges whisper tales of the city’s storied history. Visit a local squero, a gondola workshop, and learn about the craftsmanship behind the iconic boats and centuries-old trade.

You will be charged for the amount over and above that, plus an administration charge of £1 per person together with an amount to cover agents' commission. If this means that you are to pay an increase of more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel you must do so within 14 days from the date of notification of the change in the price of your holiday. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

### Choosing Your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for you. Our qualified staff are available to discuss your options.

### Travelling with Minors

Children under 12 years of age are not permitted on tours and cruises. All children under 18 years of age must be accompanied by an adult and share their accommodation with an adult. We reserve the right to limit the number of children between the ages of 12 and 18 on board any coach or vessel.

### Transfers at Your Destination

Where stated, transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the ship/hotel at their own expense. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group.

### Home-to-Airport Transfers

Home-to-airport transfers are included in the price of all APT Luxury Europe and cruises featured in APT's brochures, when booking within a radius of 75 driven miles from the UK departure airport or Eurostar station confirmed for your package. No cash alternative will be given. For journeys over 75 miles there will be an additional charge per car per mile. This service is only available for UK mainland and Northern Ireland.

### Freedom of Choice\*\* & Signature Experiences

Valid only on APT Luxury cruises and tours (excluding Voyages). Minimum and maximum group numbers apply on some Freedom of Choice or Signature Experiences. If your first choice is unavailable, you may be asked to choose an alternative.

### Travelmarvel Insider Experience Tours

Valid on Travelmarvel cruises and tours only. Experiences are subject to availability and cannot be pre-booked unless specified. These experiences must be booked and paid for while on tour.

### Public Holidays/Festivals

Virtually all countries have public holidays, religious or otherwise. These festivities may temporarily disrupt your holiday and some holidays may result in a reduction of available facilities and entertainment.

### Special Offers

Special Deals and Special Offers other than those advertised herein may be promoted by APT after the program is released. These new special deals/offers do not apply to existing bookings unless otherwise stated.

Special offer terms & conditions may differ, and full details will be advised at the time of booking.

## BOOKING & PAYING FOR YOUR HOLIDAY

### Your Contract

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these Booking Conditions. A contract will exist as soon as we issue our booking confirmation, which will include full details of your booking and an invoice in respect of same. You will also be provided, where your holiday package includes a flight, with an ATOL Certificate (see clause "Consumer Protection - ATOL" for more information). The contract is made on the terms of these Booking Conditions, which are governed by English Law, and the jurisdiction of the English Courts. If your booking is made through a travel agent we will address all communications to that travel agent, who will act as agent for you in regard to all communications from us to you. When you buy a holiday package including a flight, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by them on our behalf at all times, pending their transfer to us.

### Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Once sold out, surcharges may apply. Airports available may vary depending on the holiday booked and will be advised at the time of booking. Depending on the selected airline, airfares may be booked on receipt of deposit and ticketed once final balance has been received, however, some airfares will require full payment at the time of booking and will be ticketed upon receipt of payment. Payment terms of your airfare will be advised at time of booking. Airfares may be subject to tax and/or fuel surcharges and may be advised no later than 100 days prior to travel. Please see Price Validity for further information on increases in your fares not limited to Airline tax, surcharges or fuel surcharges. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Please note that flights may be indirect and some airlines charge for luggage separately. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

### Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

### Flight Changes

The flights shown in our brochure, on our website and detailed on your booking confirmation are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and are affected by events outside our control. Scheduled flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these Booking Conditions. APT is not liable for any additional costs incurred due to airline schedule changes.

### Out of Date Range Flights

If airlines have not published their schedule at the time of booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing to you by sending you an updated invoice. Once flights have been confirmed by you or your travel agent, APT will issue your ticket/s once final balance has been received.

### Travel Insurance

Travel Insurance is not included in your holiday package. You are required to purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, personal liability, delay, cancellation curtailment, missed departures, airfare charges that may occur due to cancellation, impossibility of performance or other frustrations, disruptions, loss of deposit, strikes and legal expenses. Please note that special insurance may be required if you wish to participate in sports or activities that have been arranged independently of us. Before departure we will require a proof of your insurance policy.

### Travel Information and Documents

After booking, you will receive an invoice with important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Approximately 21 days before departure you will receive your e-documentation ticket together with your final itinerary. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Documentation may be emailed to you at the discretion of APT in the case of late bookings, charges, late payment or special offers.

### Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat request and/or a particular meal) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your booking confirmation or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

## Website and Brochure Accuracy

APT endeavours to ensure that the information given on our website and in our brochures about accommodation, itineraries etc., is correct to the best of its knowledge at the time of going to publish/print. However, advertised descriptions and facilities and prices may change. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, hotels, carriers and routes on the website and in the brochure are given for guidance only as there may be changes. Final details will be shown on your travel documentation. Holiday package or excursion itineraries may change or be different from those described as a result of a change of way of example and not limited to, local conditions, weather conditions and/or annual events. APT can give no guarantee as to exact arrival and departure times for carriers and operators used on your cruise/tour. APT will endeavour to notify you of any significant changes prior to your departure.

### Changes Due To Weather

Sometimes due to elements beyond APT's control, it may be necessary to make alterations to your itinerary. A number of Freedom of Choice sightseeing inclusions are weather dependent.

### Data Protection Policy

APT is fully committed to compliance with all applicable data protection laws. We process information about you that you provide when making a reservation in accordance with our privacy policy. By providing this information you consent (on your behalf and on behalf of any person for whom you are booking) to such processing and you warrant that all information provided by you is accurate. Full details on our privacy policy may be found on our website [www.aptouring.co.uk/privacy](http://www.aptouring.co.uk/privacy) or by request to us at [dataprotection@aptouring.co.uk](mailto:dataprotection@aptouring.co.uk).

### Limitation of Liability

1. APT agrees that the holiday arrangements it will make, perform or provide, as applicable, as part of the contract with you will be made, performed and provided, as applicable, with reasonable care and skill. If the contract we have with you is not performed or is improperly performed by us or our suppliers and this affects the enjoyment of your travel arrangements, then you may be entitled to an appropriate price reduction or compensation or both. However, we will not be liable where any failure in the performance of the contract is due to: you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. We will only be responsible for what employees do or do not do if they were acting within the course of their employment and we will only be responsible for what agents or suppliers do or do not do if they were at that time carrying out work that we had asked them to do. Please note that it is your responsibility to show that reasonable care and skill has not been used if you wish to make a claim against us.

2. Our suppliers (such as accommodation or transport providers) have their own booking conditions or conditions of carriage, and these conditions are binding between you and the supplier. Some of these conditions may limit or remove the relevant transport provider's or other supplier's liability to you. You can get copies of such conditions from our offices (3rd Floor, 52 Grosvenor Gardens, London SW1W 0AU or Telephone: 0800 012 6686) or the offices of the relevant supplier.

3. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

- The contractual terms of the companies that provide the travel services that make up your package. Such terms are incorporated into this booking; and
- Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices (3rd Floor, 52 Grosvenor Gardens, London SW1W 0AU) or telephone: 0800 012 6686. Under English law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at UK airports and available from airlines. However, reimbursements in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these Booking Conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women, unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.

- The optional excursions are not operated by or at the direction or on behalf of APT or its employees or agents or any other persons or companies associated with APT. By taking bookings for these cruises' tours, APT acts as each optional tour operator's agent.
- On holidays including activities such as but not limited to trekking, quad biking, electric bikes, horse riding and swimming, passengers accept that there is a material element of risk involved.
- In the event that you wish to make a claim or complaint against us, both the services that we have agreed to provide or arrange as part of the contract between you and us and the laws and regulations of the country in which the claim or complaint occurred will be taken into consideration in determining whether or not the services were properly provided. If the services provided comply with local laws and regulations, the services will be treated as having been properly provided, even if the services did not comply with the laws and regulations of the UK, unless the claim or complaint relates to the failure to provide a safety feature which may cause a reasonable holidaymaker to refuse the particular arrangements.

- If you, or any member of your party have a medical condition or disability which may affect your holiday, please tell us before you confirm your cruise/tour booking so we are able to advise as to the suitability of your chosen arrangements. In any event, you must provide us with full details in writing at the time of booking. If we reasonably feel we are unable to properly accommodate particular needs of the person concerned, we reserve the right to decline the booking or ask for the person to be accompanied by a person who is able to provide full assistance to them throughout their cruise/tour. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Harassment of any kind towards crew, contracted suppliers or other guests may result in immediate removal from the tour or cruise. APT is not liable to you for any costs associated with such a decision and you will not be refunded for any part of the holiday package.

**Consumer Protection - ATOL**  
The flight-inclusive holidays featured on this website and/or in our brochures are ATOL protected. APT holds an Air Organisers Licence issued by the Civil Aviation Authority. Our ATOL number is ATOL 6781. When you buy an ATOL protected flight or flight inclusive holiday package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). For more information visit [www.caa.co.uk/atol-protection](http://www.caa.co.uk/atol-protection).

**Consumer Protection - ABTA**  
APT is also a member of ABTA with membership number V9080. ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. APT has provided a bond to ABTA for the protection of monies paid to us in respect of package holidays that do not include flights. This protection follows the guidelines of the latest European legislation and complies fully with all legal requirements within the UK. For further information about ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint, please contact ABTA, 30 Park Street, London SE1 9EQ. Telephone: 0203 117 0500 or visit: [www.abta.com](http://www.abta.com). Please note that there are specific General Information and Conditions that are determined by:

- the country you are in when purchasing your APT holiday,
- the destination/s that you will be travelling to.

If you did not find the details you require here, or in the relevant online brochure, please contact us [www.aptouring.co.uk/legal](mailto:www.aptouring.co.uk/legal) for further information.

**Medical Assistance**  
APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

**Local Purchases**  
APT is not responsible for any items you may purchase locally such as jewellery/furniture etc. You acknowledge that you are solely responsible for any import duty or freight costs.

**Personal Belongings and Lost Items**  
For security reasons, valuables should be kept to a minimum and packed in your hand luggage along with your medicines, camera, film, electrical or battery-operated appliances. It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

### Smoking

For other passengers' comfort there is no smoking on coaches or river cruise ships, except in designated areas where available.

### Responsible Service of Alcohol

Our staff are trained to serve alcohol in a responsible manner and are obliged by law to refuse service to any guest who is in the reasonable opinion of any employee, intoxicated or behaving in a dangerous, aggressive or offensive manner.

### Service Complaints

If a problem occurs during your holiday, you should, in your own interests, advise your Tour Director so that steps can be taken to resolve the matter. If your complaint is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Services Department at 3rd Floor, 52 Grosvenor Gardens, London SW1W 0AU giving your booking reference and all other relevant information. It is strongly recommended that you communicate any complaint to the supplier of the services as well as to our representative without delay and complete a report form while on holiday. If you fail to follow this procedure, we will have been deprived of the opportunity to investigate and rectify your complaint while you were in the resort and this may affect your rights under this contract. In the rare event of a dispute which cannot be settled amicably we can also offer you an arbitration scheme for the resolution of disputes arising out of this contract. The scheme is arranged by ABTA and administered independently. The upper limit on claims is £5,000 per person and £25,000 per booking form. This scheme does not apply to claims which are solely in respect of physical injury or illness or their consequences. It can however deal with claims which include an element of minor injury or illness subject to a limit of £1500 on the amount the arbitrator can award per person in respect of this element. Your request for arbitration must be received by ABTA within eighteen months of the date of return from holiday. For injury and illness claims, you can request the ABTA Mediation Procedure and we have the option to agree to mediation. Please also see clause "Consumer Protection - ABTA".

**Luggage Limits**  
Each passenger is entitled to take one piece of luggage that does not exceed 160cm (63 inches), or weigh more than 20kg (44 pounds). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover portage handling of any additional luggage. Your Tour Director will advise the additional charge. On internal flights, a luggage limit of 20kg (44 pounds) applies. Airlines may impose excess baggage fees at time of check-in. For passengers travelling in Premium

Economy, Business and First Class the luggage allowance will be advised at the time of booking. Some holiday packages may have restricted luggage limits, please refer to Specific Terms & Conditions under relevant destination for more information.

**Passengers Needing Assistance**  
APT welcomes all passengers, please note:

- Passengers with a disability or medical condition requiring assistance must inform APT at the time of booking including all important information relating to your health, mobility and fitness which may affect your ability to participate fully or partially in the cruise or tour. This information is also crucial to allow APT to ensure the tour you have chosen is suitable and meets your needs and that APT is able to accommodate those needs safely to you and others. Where possible, APT will make reasonable adjustments to the holiday package to accommodate special needs reported at the time of booking however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety of other passengers or where this is not technically possible, for example if the aircraft which is to operate the flight element of the booking may not be structurally suitable due to its size or the size of its doors to carry the person in question. In that case, the booking for the affected person or its group, as the case may be, may need to be declined. Any changes to health, mobility and fitness after the date of your booking must also be reported to APT as soon as possible and prior to departure. While we would use our reasonable endeavours to accommodate the needs of a person who has booked a holiday package with us but subsequently became disabled or otherwise, a person with reduced mobility prior to the holiday package commencing, this, as mentioned in the preceding paragraph, may not be possible in all circumstances. If this were to happen, we will use our reasonable endeavours to offer a suitable alternative holiday package but, if this is not possible, or if the person chooses not to accept an alternative, we are able to offer, we will treat that as a request to remove that person from the booking provided however, that no administrative fee will be charged for such changes.

- If you require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Please be aware that APT does not provide personal assistance. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

- While APT will make reasonable efforts to accommodate the special needs of disabled passengers or those with reduced mobility which are reported to us after a booking confirmation has been issued, it is not responsible in such circumstances for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

- Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to board.

Economy, Business and First Class the luggage allowance will be advised at the time of booking. Some holiday packages may have restricted luggage limits, please refer to Specific Terms & Conditions under relevant destination for more information.

Where possible, APT will make reasonable adjustments to the holiday package to accommodate special needs reported at the time of booking however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety of other passengers or where this is not technically possible, for example if the aircraft which is to operate the flight element of the booking may not be structurally suitable due to its size or the size of its doors to carry the person in question. In that case, the booking for the affected person or its group, as the case may be, may need to be declined. Any changes to health, mobility and fitness after the date of your booking must also be reported to APT as soon as possible and prior to departure. While we would use our reasonable endeavours to accommodate the needs of a person who has booked a holiday package with us but subsequently became disabled or otherwise, a person with reduced mobility prior to the holiday package commencing, this, as mentioned in the preceding paragraph, may not be possible in all circumstances. If this were to happen, we will use our reasonable endeavours to offer a suitable alternative holiday package but, if this is not possible, or if the person chooses not to accept an alternative, we are able to offer, we will treat that as a request to remove that person from the booking provided however, that no administrative fee will be charged for such changes.

- If you require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Please be aware that APT does not provide personal assistance. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

- While APT will make reasonable efforts to accommodate the special needs of disabled passengers or those with reduced mobility which are reported to us after a booking confirmation has been issued, it is not responsible in such circumstances for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

- Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to board.
