Here, explore the dramatic waterfalls, the most spectacular of which is Skradinski Buk, a large natural pool with high waterfalls at one end and countless cascades at the other. Take a walk along the wooden jetties and bridges to admire the falls, and the unique flora and fauna. Later, continue onwards to Zadar. **BLD**

Day 07: Zadar, Pag, Rab Enjoy a guided walk through Zadar's well-preserved Old Town, seeing its Roman ruins, Romanesque churches and Renaissance palaces. Continue to the rocky island of Pag, where you will have the chance to swim in the stunning Adriatic Sea straight

off the spacious rear deck of your yacht. Later, continue to Rab and dock here overnight, giving you the chance to explore this charming town after the daytime crowds have dispersed. **BLD**

Day 08: Rab, Krk, Opatija In Rab, spend some time meandering through the narrow alleys of the picturesque Old Town. Afterwards, sail to the magnificent island of Krk. Weather permitting, your yacht will drop anchor so you can swim right off the deck's swimming platform. Then, sail to Opatija in the early afternoon and embark on a guided tour. Tonight, a farewell dinner awaits. **BLD**

Climate

The climate of most of Central and Eastern Europe, including southern Scandinavia, is categorised as humid continental. As in Western Europe, summers are mild, but winters are significantly colder, with snowfall a common occurrence in certain locations.

As weather patterns can vary significantly depending on time of year and destination, please refer to www.climate-zone.com for current weather information.

Coaches

Coaches used on our Land Tours offer generous legroom, or are 40-seater coaches, and feature an onboard toilet and complimentary Wi-Fi internet. On our Small Group Tours, our luxury coaches have no more than 40 seats and are equipped with complimentary Wi-Fi internet. As coaches use a satellite system for Wi-Fi internet, routing may cause reception to be restricted at times. Complimentary Wi-Fi internet is not available on our City Stays.

Currency

In Europe, the currency on board all our river ships and the MV Lady Eleganza in Croatia is the Euro. The currency on board the Seabourn Venture is USD. For your convenience, any purchases and paid services on board our ships are billed to your shipboard account. Vegetarian and gluten-free options are available on cruises – please notify APT of any special dietary requirements when making your booking.

Disruption to Cruising and Itinerary Arrangements

Itineraries are subject to alteration without notice and are intended as a guide only. Although every effort will be made to keep them as they are shown in the brochure and final documents, deviations to the planned cruise/touring itineraries and hotels are possible due to road, river or weather conditions, strikes, or other reasons beyond our control. Should conditions render cruise/land touring routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation not on the docked ship and/or substitute touring arrangements.

Dress Code

The dress code on our river cruises and tours is relaxed. Light, comfortable clothing is ideal for during the day, but smart casual clothing for evenings on board the ship is recommended. You may wish to bring something a little dressier for the welcome and farewell dinners and any special events such as the visit to Vienna's City Palace, however, there will be no black tie or formal evenings.

On Seabourn ocean cruises, the dress code during the day is relaxed while in the evening it is smart casual. We recommend men wear slacks with a collared shirt and women wear slacks or a skirt, blouse, pant suit or dress.

We highly recommend that you pack a variety of light to medium weight clothing, plus rain-wear in case of cooler or wet weather. Layers are a good option to cover a range of temperatures and to suit changing conditions. Comfortable footwear is imperative, as some excursions involve walking on steps or ramps to embark and disembark.

If your sightseeing includes churches, monasteries, mosques or synagogues, dress casually, but keep your clothes clean and ensure sufficient body cover (for example, cover your shoulders and wear trousers or a knee-length dress).

e

Elevator

An elevator is located on all ships, with the exception of the MV Lady Eleganza in Croatia. All decks are accessible by elevator on our river ships except the Sun Deck.

You will be required to present a credit card upon check-in to cover incidentals. If you do not have a credit card, a monetary deposit in local currency may be required. Amounts differ for each hotel. Normal check-out times vary, but are usually at 11am or noon. Please note that some hotels have a shower over the bath.

Internet and Wi-Fi

All ships offer Wi-Fi in staterooms, suites and public areas. Remember to take all logins and passwords with you to enjoy easy access to your favourite websites. As all ships use a satellite system, routing may cause reception to be restricted at times. Connection speeds are slower than on shore. There are no printers available on our ships.

Complimentary Wi-Fi internet is available in many hotel guest rooms. When such a service is not available, complimentary Wi-Fi internet is generally available in public areas of most hotels. Complimentary Wi-Fi internet is also provided on board our coaches, with the exception of City Stays. Laundry

Laundry services are available on board and price lists will be available in your suite. Clothes cannot be dry-cleaned on board river and ocean ships. Luggage

As a general rule, airlines permit passengers in economy class to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). We advise you to contact your airline carrier or travel agent for specific information prior to departure, as size and weight limitations may vary and are subject to change. Each passenger is entitled to take one piece of luggage on your tour that does not exceed the above specifications. Please limit your hand luggage to one bag that fits under your aircraft seat or in the overhead compartment.

Medical

Medical services are not available on our river ships as there are no medical personnel on board. Medical services can be called from shore, as ships are usually close to a town. On the Seabourn Venture, a small medical facility is staffed by a doctor and a nurse. This facility is equipped to provide medical care for illness or accidents that arise during the cruise, but is not intended to provide ongoing medical treatment. For all APT cruises and tours, we recommend you bring adequate supplies of prescription medications.

Physical Fitness

APT cruises and tours are not physically demanding, however, because of the nature of many of the sites you will be visiting, some tours will require a good level of fitness and health to participate. Some trips may not be appropriate for guests with certain medical conditions and physical restrictions. Walking tours are often on uneven ground (such as cobblestones) and may include stairs, as well as steep inclines. You should be able to stand on your feet for an extended period of time to visit museums, attractions and other sites, as well as when checking in for flights and cruises and at Customs and Immigration. Small Ship Cruises require regular embarkation and disembarkation of Zodiacs or local tender boats for shore access, as well as wet landings on occasion, dependent on your itinerary. Passengers must be able to step in and out of smaller vessels, as well as climb ramps and steps. Some tours visit remote areas and feature activities with varying degrees of difficulty, therefore it is vital to select a tour with an activity level suited to your health and fitness.

Reception

Each ship's reception area is staffed 24 hours a day, as are all hotels used throughout our itineraries.

Smoking is not permitted anywhere inside any of our ships or coaches, including on balconies in your suite. Smoking is only permitted on the Sun Deck in a designated area. The same policy applies for electronic cigarettes.

Swimming Pool

All APT river ships feature a swimming pool, as do Seabourn ocean ships.

Telephone

All suites are equipped with a telephone. It can be used to call between suites as well as from ship to shore. As the telephone system functions via satellite, there may be times, depending on routing, when the phones are out of range.

Transfers

Airport transfers are included on the first and last day of your holiday package. They must be pre-arranged at the time of booking and flight details need to be provided to confirm this service. Airport transfers are not included when pre or post accommodation is not booked with APT.

The OneTomorrow Charitable Fund is an initiative established by the APT Travel Group. OneTomorrow's mission is to make a positive and enduring impact on nature and the communities we touch. Supporting various grassroots initiatives around the world, we aim to create immediate and long-term change in important environmental and humanitarian causes around the world.

UNICEF aims to provide children in Ukraine and those seeking refuge with urgent protection and critical services. This includes healthcare, nutrition, education, water, sanitation and social support, as well as helping unaccompanied and separated children with protection from exploitation and abuse.

A World of Difference

At OneTomorrow we believe in travel as a platform for change. Across the APT Travel Group, we've partnered with a range of organisations and implemented initiatives to help protect the environment and ensure the wellbeing of local people wherever we go.

Making Travel Mean More

Working together, we can support not-for-profit organisations to continue helping their communities. Donations through OneTomorrow are tax deductible*, and all donations will be matched dollar for dollar. So together, we can double our impact.

With your help, we can continue
to shape the world together
