Discover Small Ship Cruising with APT

There's something magical about watching a destination come into view from the unique vantage point of a ship. The anticipation of experiencing something new and mysterious is what travel is all about. Whether waking to the sight of your first iceberg as you approach the Antarctic Peninsula, witnessing the magnificence of Istanbul for the first time as you glide into the Bosphorus Strait, or experiencing the phenomenal tidal changes in Australia's remote Kimberley coast — sharing special moments with an intimate group of similar-minded adventurers aboard a small-ship cruise is an unforgettable experience.

British Isles

Be awed by the dramatic coastlines and remote beauty of the British Isles as you experience luxury without limits aboard the Seabourn Venture. Discover neolithic monuments like the Stones of Stenness and the Ring of Brogdar, visit Giant's Causeway, a series of 40,000 interlocking basalt columns rising from the sea, or sip a wee dram of Scotch whisky at a local distillery — an adventure to the British Isles is an experience to savour.

Croatia and the Balkans

Delve into the beauty of the Adriatic coast aboard a luxury cruising yacht, the MV Lady Eleganza. Wake each morning to a new port, explore beautifully preserved medieval towns, sample local brandy, wines, cheeses and other delicacies, and plunge into the refreshing sea after a day of sightseeing. There's no better way to experience the dazzling Adriatic coast than aboard a luxury yacht.

The Mediterranean

Uncover the wonders of the Mediterranean on a Small Ship Cruise aboard the ultra-luxurious Seabourn Venture. From the timeless legends of Greek mythology to the rise and dominance of the Roman Empire, the Mediterranean has served as the stage for many of Europe's most pivotal historical events. Be mesmerised by medieval castles and imposing forts that stand like sentinels, wander through cobblestone alleys in captivating Old Towns that have hosted and witnessed riots and revolutions, and experience tranquil fishing villages, where life has remain unchanged for centuries.

Australia and New Zealand

As the only island nation that's also a continent, Australia is proud of its unique qualities, including its iconic wildlife, the diversity of its first peoples — the oldest living culture on Earth — and the unmistakable landscape found nowhere else in the world. Board your small expedition ship and discover the beguiling beauty of the wild Kimberley region, Western Australia's Coral Coast, and southern Tasmania — the remote, untamed spirit of Australia awaits.

Embark on a voyage through New Zealand's South Island, blessed with striking natural beauty that leaves one speechless. Sail into glacier-dotted fjords flanked by piercing mountains, witness playful dolphins and majestic whales diving off the coast of Kaikōura, and discover history and culture in Christchurch and Dunedin. You'll be spellbound by the magic of Aotearoa, 'The Land of the Long White Cloud'.

Antarctica

Whispering the word 'Antarctica' conjures images of a land at the end of the Earth blanketed in snow, where colossal glaciers calve into ghostly silent bays, where pods of whales migrate to feast on plentiful krill, before returning to warmer waters to give birth, and where cheeky penguins pilfer pebbles from unsuspecting neighbours to build their nest. Antarctica isn't simply a destination, it's one of the world's last truly untouched frontiers.

Essential Details

Adventure Bay, Bruny Island, Tasmania, Australia

THE FINER DETAILS OF AN APT SMALL SHIP CRUISING ADVENTURE.

Adaptors and Electricity

We recommend you bring an international travel adaptor to use on board our cruises. For safety reasons, hair irons and clothes irons cannot be used in staterooms. Hair dryers are provided in each stateroom.

Beverages

Aboard Seabourn Venture, Seabourn Pursuit, Coral Adventurer, Coral Discoverer, and MV Lady Eleganza, all-day complimentary premium spirits and wines are available at all times. Guests cannot bring their own alcohol. Alcohol is not permitted in some areas visited.

Clothing

The dress code on our cruises and tours is relaxed, but smart casual clothing for evenings on board is recommended. You may wish to bring something a little dressier for the captain's dinners and cocktail evenings; however, there will be no black tie or formal evenings.

When packing, consider the season of the destination that you're travelling to. We recommend layering your clothing so that you can be prepared for changes in weather conditions throughout the day. Sturdy footwear is essential, and wet shoes are highly recommended on some tours.

For expedition cruises in the Kimberley, it is essential to bring shoes that can get wet (e.g. reef shoes or rubber sandals), are comfortable for walking in, and for wet landings on shore. Flip flops or thongs are not suitable.

Your luggage should include a windproof/waterproof jacket, walking trousers/shorts, and a hat with a brim. On Antarctic expedition cruises, all guests receive a complimentary polar parka to use during the voyage and to keep afterwards. Rental boots for all off ship activities are included. It is mandatory for all guests to bring their own waterproof trousers for shore landings.

Currency

The onboard currency can vary depending on your cruise. Please check with your APT sales consultant or travel agent for details. Settlement of shipboard accounts is accepted via payment with Visa, MasterCard and American Express.

Dining

Meals and drinks are included as per tour itinerary. If you have any special dietary requirements, you must advise these at the time of booking.

Expedition Cruising

Expedition cruises are active and involve regular use of Zodiac vessels, which are versatile, inflatable boats, which provide a unique platform for observing wildlife and enjoying landscapes from sea level, enabling you to get closer to the sights. They provide a fast and safe way of going ashore in remote locations and are invaluable for exploration.

Expedition cruises feature a taste of exploration and adventure with an Expedition Team including naturalists,

marine biologists, historians, geologists and photographers. A spirit of adventure is encouraged to make the most of spontaneous opportunities as they arise, enriching your cruise experience.

Health and Fitness

The nature of expedition cruising requires regular embarkation and disembarkation of Zodiacs for shore access, as well as wet landings on remote beaches, where footwear will get wet. Guests must be able to climb ramps and step in and out of smaller vessels. Walking frames are not permitted on any shore excursions. It is your responsibility to carry any medication (which may require a cooler bag). Consult your local medical practitioner for any health advice.

Internet and Wi-Fi

Wi-Fi internet is included on board the ships; however, it is limited and not guaranteed. Mobile coverage is not guaranteed during the cruise, especially in remote locations and while the ship is at sea.

Laundry

Seabourn Venture and Seabourn Pursuit offer self-service laundry facilities for your convenience. The Coral Adventurer and Coral Discoverer vessels offer laundry services at an additional expense.

Luggage

As a general rule, airlines permit passengers in economy class to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). We advise you to contact your airline carrier or travel agent for specific information prior to departure, as size and weight limitations may vary. Each cruise guest

is entitled to take one piece of luggage that does not exceed the above specifications.

Passports

It is required that cruise guests have a valid passport with at least six months' validity from the return date.

Pre-Departure Information

You will receive further detailed Pre-Departure Information relating to your cruise and vessel closer to the time of departure, usually after final payment is made. Please refer to this document for detailed advice to help you prepare for your cruise.

Travel Insurance

Travel insurance is mandatory on cruises in Australia and Antarctica, with minimum amounts required for repatriation. Travel insurance is strongly recommended for other destinations and on all land tours. Please check with your APT sales consultant or travel agent for details. Purchase comprehensive cover for any unforeseen circumstances that may arise on tour or before leaving home (this includes cover for any cancellation penalties, remote evacuation, medical and curtailment expenses, loss of luggage, etc.)

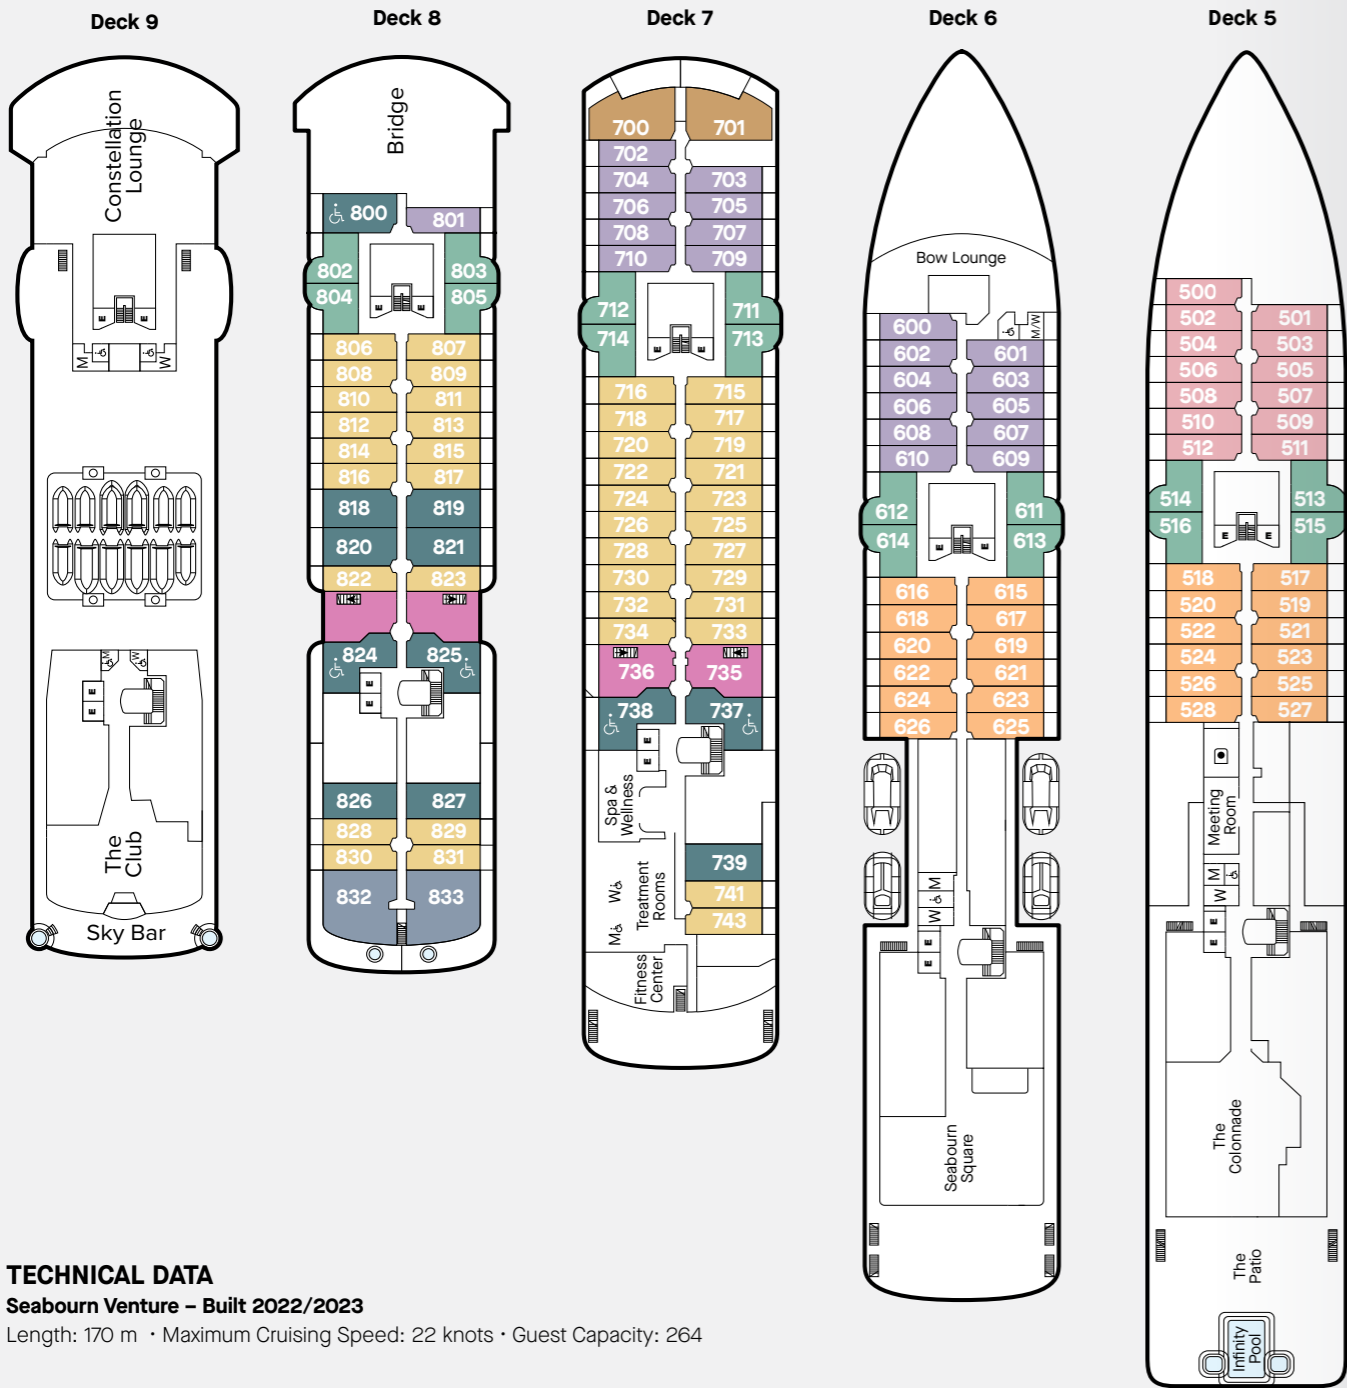

Visas

Visas may be required for the destinations visited on your itinerary. Some countries require a transit visa if you're stopping en route to another destination. Please check with the relevant consulate if you need a visa, or a transit visa, for the places visited on your itinerary.

Terms and Conditions

The following terms and conditions ("booking conditions") form the basis of your contract with Australian Pacific Touring Pty Ltd (APT, 'we' or 'our'). Please read them carefully as they set out your and our respective rights and obligations. These Terms and Conditions were correct at time of publication. For the most up to date Terms and Conditions visit our website www.aptouring.com/terms-and-conditions

GENERAL CONDITIONS

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions, that you agree to these conditions applying to your APT holiday arrangements. References in these booking conditions to your 'holiday package' are references to the tour package you have booked with APT. References to 'excursions' are references to short trips or tours included or available as part of your holiday package.

Governing Law

These booking conditions are governed by the law in force in Victoria, Australia.

BEFORE YOU BOOK

Price Validity

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up-to-date pricing may be found on our website – www.aptouring.com.au. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Transfers

Airport transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the hotel at their own expense. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group.

Freedom of Choice™ and Signature Experiences

Minimum and maximum group numbers apply on some Freedom of Choice™ or Signature Experience inclusions. If your first choice of Freedom of Choice™ is unavailable, you may be asked to choose an alternative.

Public Holidays and Festivals

Most countries have public holidays, religious or otherwise. Festivities may temporarily disrupt your holiday and some religious holidays may result in a reduction of facilities and entertainment.

Superdeals and Special Offers

BOOKING AND PAYING FOR YOUR HOLIDAY

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel. Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are recommended to purchase at time of booking.

Travel Insurance

Travel Insurance is not included in your holiday package. For your protection, you are recommended to purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

For some touring programs you must purchase travel insurance as part of your booking agreement. See listed under Specific Terms and Conditions for compulsory travel insurance requirements for Antarctica and Australia.

Travel Information and Documents

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit and Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards, a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards, a charge of 0.5% will be added to the tour price.

Accuracy

APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, or annual events. APT will endeavour to notify you of any significant changes prior to your departure.

Disruption to Cruising and Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT, and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights

If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

Force Majeure

Force majeure event means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements Due to Force Majeure

If APT, in its reasonable opinion, considers that any force majeure event prevents APT (whether directly or through its employees,

contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure

In the event that APT cancels or changes your travel arrangements in any way due to a force majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed personally by APT, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Data Protection Policy

Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.aptouring.com.au/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

Limitation of Liability

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers, or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

Local Purchases

APT is not responsible for any items you may purchase locally (i.e. jewellery, furniture, etc.). You acknowledge that you are solely responsible for any import duty or freight costs.

Personal Belongings and Lost Items

For security reasons, valuables should be kept to a minimum and packed in your hand luggage along with your medicines. It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from a visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

Smoking

Government regulations forbid smoking in tourist coaches; however frequent stops are made for those wishing to smoke. Smoking is not permitted in hotel rooms or ship cabins. Requests for smoking/non-smoking rooms will be passed on to hotels but cannot be guaranteed.

Responsible Service of Alcohol

Our staff are trained in the responsible service of alcohol and are obliged by law to refuse service to any guest who, in their reasonable opinion, appears to be intoxicated or behaves in an aggressive or offensive manner.

Service Enquiries

If a problem occurs during your holiday you should, in your own interests, advise your Tour Director so that steps can be taken to resolve the matter. If you remain dissatisfied, any complaint must be made in writing to APT within 30 days.

Luggage Limits

Each passenger is entitled to take one piece of luggage that does not exceed 160cm (63 inches), or weigh more than 23kg (50 pounds). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover portage handling of any additional luggage. Your Tour Director will advise you of the exact additional charge.

Some holiday packages may have restricted luggage limits, please refer to Specific Terms and Conditions for more information.

Choosing Your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for you. Our publication contains limited information, however, there is more information on our website at www.aptouring.com.au and our qualified staff are available to discuss your options.

Hotels

In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this brochure will be used on almost all holiday packages; however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require checkout by 10am.

Twin or Double Rooms

Accommodation in all hotels, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated. In South America, twin-bedded rooms are very common and double beds are either not available or limited in number.

All Airfare Offers:

Flights must be booked by APT. Should you choose to depart earlier than your scheduled tour/cruise departure, or make variations to airline routings, surcharges may apply. Airline

schedules are subject to change without notice and APT is not liable for any additional costs incurred due to airline schedule changes. All air is ticketed upon receipt of the first deposit. Any changes made after ticketing may incur amendment and/or cancellation fees, in some cases, tickets are non-refundable. Air taxes vary for each departure point and routing of airline and are subject to change. Fuel surcharges are subject to change and an additional fuel surcharge may apply. Frequent flyer miles/points may not be awarded on all airfares.

Solo Travellers

A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single room/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

CRUISING

Cabin/Suite/Stateroom Selection

APT will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, APT reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

Passengers Needing Special Assistance

APT welcomes passengers with disabilities or special needs; however, please note the following:

1. Any disability or medical condition requiring special attention must be reported to APT at the time of booking including all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information is also crucial to allow APT to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible, APT will make reasonable adjustments to the tour to accommodate your special needs however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require special assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking or hearing emergency alarms unaided), you must travel with a companion capable of providing the required assistance or care. Please be aware that APT does not provide personal assistance and, consequently, deaf passengers must share accommodation with a person capable of hearing alarms in cabins. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation, you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. APT ships often sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the ocean cruise ship is at anchor. APT is unable to provide individual assistance to any passenger for walking, dining, disembarking or embarking cruise ships and/or coaches or other transportation vehicles or other personal needs.

Health and Fitness

A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. Antarctica cruises require you to be able to climb in and out of Zodiacs and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations, and consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

Shore Excursions

The timings of the shore excursions on all cruise holiday packages may differ slightly for each package and each departure. Guests must be able to climb ramps to embark or disembark cruise ships and tenders. Expedition cruise holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs.

Visa and Passports

All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. APT is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

Changes or Additions to Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

Cancellation Policy

The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels):

Days of Notice	Fee Per Person:
(Prior to Departure)	
100 days or more	Loss of deposit
99-61 days	50% of holiday package price
60 days or less	100% of holiday package price
For Antarctica Cruise Packages, the following applies:	
Days of Notice:	Fee Per Person:
(Prior to Departure)	
120 days or more	Loss of deposit
119-61 days	50% of holiday package price
60 days or less	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

Cancellation of Ticketed Airfares

An APT cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes to Ticketed Airfares

If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of \$30 per person for the first change and \$85 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and APT reserves the right to cancel or amend holiday packages/ excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT).

ON HOLIDAY

Travel Insurance for Antarctica

All passengers are required to carry valid travel insurance. This insurance must contain medical and evacuation coverage and should include cancellation and trip interruption as well. As any potential evacuation from Antarctica can cost approximately US\$200,000, we recommend that no policy carry less than this amount of coverage. As part of the pre-departure forms, we will require your travel insurance policy number and a 24-hour contact number.

Noise and Vibration

APT takes reasonable steps to minimise noise and vibrations on its cruising vessels. You acknowledge and accept that some noise and vibration may be experienced on aircraft, vehicles, vessels and trains and that APT is not liable to you for any such noise or vibration.

APT Tour Director

The services of an APT Tour Director are included throughout your entire land and cruise journeys (subject to minimum numbers) with the exception of the Atacama extension. If minimum numbers are not met, the Tour Director's duties may be covered by local guides in each city.

Medical Assistance

Seabourn employs an onboard doctor and infirmary. Guests are responsible for all charges that result from visiting either the onboard medical practitioner or a local medical facility. APT is not responsible for the type or quality of medical services you may receive.

The OneTomorrow Charitable Fund is an initiative established by the APT Travel Group. OneTomorrow's mission is to make a positive and enduring impact on nature and the communities we touch. Supporting various charitable initiatives around the world, we aim to create immediate and long-term change in important environmental and humanitarian causes.

A World of Difference

At OneTomorrow we believe in travel as a platform for change. Across the APT Travel Group, we've partnered with a range of organisations and implemented initiatives to help protect the environment and ensure the wellbeing of local people wherever we go.

Making Travel Mean More

Working together, we can support not-for-profit organisations to continue helping their communities. Donations through OneTomorrow are tax deductible*, and all donations will be matched dollar for dollar. So together we can double our impact.

With your support, we continue
to make a meaningful impact.
