In the Scottish Highlands, be left in awe by an amphitheatre of steely lochs, coastal meadows and enchanting glens as you travel along the West Highland Line. Skirt by the beautiful Loch Lomond and wind through the marshy moorland and rocky outcrops of Rannoch Moor. You'll also step aboard the famed Jacobite Steam Train, known as the Hogwarts Express in the *Harry Potter* films. This legendary train passes the impressive Ben Nevis and climbs into the mountains around Glenfinnan on its approach to Mallaig, the final leg of the West Highland Line.

ALPINE WONDERS

Immerse yourself in the spellbinding scenery of the Alps on spectacular rail journeys. Ride Switzerland's Jungfrau Railway – one of the region's most picturesque lines and a remarkable feat of engineering. FLÅM RAILWAY, NORWAY

As one of the world's steepest lines, the Flåm Railway is an exceptional feat of engineering. Wind in and out of mountain tunnels as you are whisked through the Flåm Valley alongside the largest fjord in Europe, the Sognefjord.

RAUMA RAILWAY, NORWAY

Offering one of Norway's most beautiful and wildest train journeys, the Rauma Railway stretches for 114 kilometres along the Rauma River. Travel through tunnels, over bridges and along steep cliff faces.

KYLE LINE, SCOTLAND

Completed in 1897, the Kyle Line connects Dingwall in Scotland's east to Kyle of Lochalsh in the west, carving its way through mesmerising highland scenery. Admire the mountain vistas reflecting in the tranquil waters, and watch as the charming towns and villages on the lake's shores pass by. Disembark and ride the famous Giessbach Funicular railway to your mountaintop hotel. **Two Nights:** Grandhotel Giessbach. BD

Day 3. Brienz, Rothorn Board one of the country's most scenic stretches of railway today on the

Brienz Rothorn Railway. ^ Head to Brienz, where the steam-hauled train awaits. Begin the steady mountain ascent, crossing steep mountain trails, with the glittering water of Lake Brienz beneath you. As you gain height, the scenery becomes progressively greener, with jagged mountain peaks at eye level. At over 2,000 metres above sea level, you'll reach Rothorn, the summit of the rail journey. Disembark at the peak and explore at your own leisure. Then, it's back on the train for your descent to Brienz and Giessbach. BD

Day 4. Brig, Engadine Valley ☆ After breakfast, travel by coach to Spiez, then by rail to Brig, where one of Switzerland's most famous trains awaits. The red-and-white Glacier Express is known for being the slowest express train, but also one of the most scenic rail journeys. Board the train and chug through the tunnels, and across countless bridges and viaducts. A sure highlight is when you ascend over 1,800 metres at

the Oberalp Pass, with the train using cogwheels to conquer the steepest points. Lunch is served in the rail cars during your journey. Arrive into the Engadine Valley and check-in to your hotel, surrounded by lush meadows and majestic mountains. **Two Nights:** Engadine Valley, Hotel Schweizerhof St. Moritz, Hotel Bernina 1865 or similar. BL

Day 5. Tirano ☆ Connecting Italy and Switzerland on one of the highest railway lines in the Alps, the Bernina Express is a must on any rail-lover's list. Join this rail odyssey today, carving through the snow-capped scenery and lush hillsides to Tirano in northern Italy, travelling at an altitude of over 2,000 metres and enjoying views of turquoise glacial lakes speckled below. Once in Tirano, it's time to explore at leisure. There's a peaceful old quarter towards the east of the town, which you might like to head to after the excitement of your rail adventure. Later in the afternoon, it's time to head back to Switzerland. BD

Day 6. Lucerne You're in for another incredible journey today on Switzerland's world-renowned rail network. Travelling to Lucerne, join the world's steepest cogwheel railway. Aboard the Pilatus Railway, with a gradient that reaches up to

48%, there are many moments on this journey reminiscent of a roller coaster rather than a rail track. Spend 30 minutes ascending almost two kilometres from Alpnachstad to Pilatus-Kulm, located just outside the city of Lucerne, where your hotel awaits. **Two Nights:** Lucerne, Hotel Pilatus-Kulm. BD

Day 7. Lucerne After breakfast at your hotel, you may wish to set off on some independent sightseeing. One of Lucerne's most famous sites is the Chapel Bridge, which divides the old and new towns. Built in the 14th century, this wooden bridge once served as protection against outside attacks on the city. Today, a series of paintings from the 17th century hang on the interior walls and tell the tale of Lucerne's history. There are also plenty of churches to visit, and wandering along the cobblestone streets is an equally enticing option. After you've explored the town, head back to your hotel for a Farewell Dinner. BD

Discover the USA

Follow a route, rich in history, that traverses vast plains from east to west, embracing the country's incredible cities and scenery

Travelmarvel's escorted rail holidays through the USA allow you to journey through incredible landscapes and discover the heritage of railways in the region.

ICONIC CITIES

The Statue of Liberty, Central Park, Times Square and the Empire State Building – New York City's iconic sights are in abundance. Las Vegas is a spectacle to behold. Add Denver, Chicago and San Francisco, and you'll discover that the cities of the USA each have their own appeal.

STUNNING SCENERY

Be whisked through the diverse terrain that makes up this remarkable country. Whether you're following the tracks of the San Joaquins route through California's spectacular Central Valley mountain ranges or travelling on the historic Durango and Silverton Narrow Gauge Railroad, the train provides the ideal viewpoint.

NATURAL WONDERS

Between the east and west, the USA holds dramatic wonders awaiting exploration. Experience the exhilarating moment of standing on the rim of the Grand Canyon, a breathtaking testament to the power of nature and the forces of creation. The sandstone formations in Utah's Monument Valley are equally impressive, as are the thunderous Niagara Falls in New York state.

FROM COAST TO COAST

Rail travel has long been an ideal mode of transport thanks to its efficiency and speed. The world's first Transcontinental Railroad, linking the east and west of North America, opened the country to business and leisure-related travel in a way that had never before been seen. Now, travellers from all over the globe find comfort and ease in the romance of rail travel, and completing a holiday aboard steel wheels has become one of the most sought-after ways to travel. From crossing vast tracts of wild terrain in the Mojave Desert, Yosemite National Park, Colorado, Arizona, Nevada and California in the west, to the modern metropolises of Chicago and New York City in the east, the distance between North America's spectacular locations is easily accessible by rail.

THE MUSICAL SOUTH

From the bright lights of Nashville, to the vibrant festivals in New Orleans and the checkered past of the Deep South, the southern states have an abundance of stories to tell. Discover the origins of the Blues music movement along the rail route from Memphis to New Orleans. And dive into your own journey of bygone days in Tennessee, Louisiana and Georgia.

USA'S ICONIC *Trains and Railways*

RIDE THE RAILS ACROSS THE 'LAND OF THE FREE AND THE HOME OF THE BRAVE'
ON A MIX OF MODERN AMTRAK TRAINS AND HERITAGE HEROES

Durango and Silverton Narrow Gauge Railroad, USA

Starlight Train and Amtrak Surfliner Train, USA

The California Zephyr zips through seven states, following the route of the original wagon trains, while further trains and railways in the USA provide a tangible link to the nation's past and present traditions.

AMTRAK
Amtrak's vast railway network covers almost every state on the USA mainland. These fast and reliable trains are designed for longer journeys, and relaxing on board is one of the best ways to see the country. Trains feature roomettes with two berths (upper and lower) and comfortable seating, which convert to a bed in the evening. All roomettes have shared bathroom facilities, with limited upgrades to bedrooms that include private shower and toilet facilities available. Enjoy overnight stays with Amtrak to maximise your USA rail experience.

These include a night on board the California Zephyr, travelling from Grand Junction to Chicago. Hugging rocky mountains as it carves across the land, this sleeper train is a serene way to spend an evening aboard. And from one major transport hub to the next, the locomotive opens gateways to a host of fascinating discoveries and insights along truly spectacular railroads. Your adventure might also bring you aboard the Lake Shore Limited for a journey through the night to Buffalo, on the cusp of Niagara Falls. Other notable daytime Amtrak services include the Maple Leaf, which transports

you from Niagara Falls to New York, as well as California's San Joaquins rail route from San Francisco travelling south to Bakersfield. To enhance your rail adventure, panoramic windows provide expansive views of the passing scenery, maximising your onboard experience.

GRAND CANYON RAILWAY
The historic Grand Canyon Railway carries hundreds of passengers each day between Williams in Arizona and the South Rim of the Grand Canyon. The journey of more than 100 kilometres was first undertaken by rail in 1901 — an unimaginable feat for the time. While on

board, train enthusiasts can be transported to this bygone era during a re-enactment of a train robbery during the return journey. And you'll also marvel at sweeping views along the way.

DURANGO AND SILVERTON NARROW-GAUGE RAILROAD
Established in the early 1880s, this railway was initially created to enable travellers to carry silver and gold ore between mountains. Soon after, the dramatic surrounds and breathtaking sights became just as valuable. Colorado's Durango and Silverton Railroad is a narrow-gauge railway that operates a historic train with rolling

stock designed for the 70-kilometre line. The locomotives are 1923-25 vintage, coal-fired and steam-operated. Open gondola cars provide panoramic views of the stunning surrounding mountains.

GRAND JUNCTION
Set off from western Colorado and navigate scenic canyons and valleys, before ascending high into the Rockies to Denver on America's most idyllic rail route. From there, the California Zephyr descends into the plains of Nebraska then whistles its way across Iowa, the mighty Mississippi and the pretty prairies of Illinois all the way to Chicago.

BOOKING AND PAYING FOR YOUR HOLIDAY

Airfares
Air travel is arranged with independent airlines. Travelmarvel will arrange air travel as advertised in connection with your holiday package or as otherwise arranged with Travelmarvel. All airfares are subject to flight and booking class availability as specified in the conditions. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airlines. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Travelmarvel is not liable for delays or disruptions of air travel. Once tickets are issued, Travelmarvel will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights. Flying outside of the tour date range or re-routing your flight itinerary may incur additional surcharges. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

Airline Loyalty Point Eligibility
Travelmarvel uses the services of a range of airlines in its packages. Travelmarvel does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use airline points to upgrade travel need to be directed to the airline concerned by the member.

Travelmarvel Deposit Cancellation Peace of Mind
Conditions apply: applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as a Travelmarvel holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through Travelmarvel (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In

the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. Travelmarvel Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which we recommend you purchase at the time of booking.

Travel Insurance
Travel insurance is not included in your holiday package. For your protection we strongly recommend that you purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, cruise and land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

Travel Information and Documents
After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket, together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests
Where a special request (e.g. diet, room location, twin — or double-bedded room, a particular facility at a hotel, flight seat requests and/or particular meals), is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline, but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit and Debit Card Surcharges
If you pay Travelmarvel by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

Accuracy
Travelmarvel has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, or annual events. Travelmarvel will endeavour to notify you of any significant changes prior to your departure.

Disruption to Cruising and Itinerary Arrangements
Itineraries are intended as a guide only and are subject to alteration without notice. Alternations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond Travelmarvel's control. If conditions render any routes unsafe for navigation, Travelmarvel reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel cannot guarantee exact arrival and departure times for carriers and operators used by Travelmarvel, and Travelmarvel will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes
The flight timings detailed on your confirmation invoice, or on our website are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights
If airlines have not published their schedule at the time of booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm booking and pricing with you by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your ticket/s.

Force Majeure
Force majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not have been reasonably prevented by Travelmarvel, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements Due to Force Majeure
If Travelmarvel, in its reasonable opinion, considers that any force majeure event prevents Travelmarvel (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure
In the event that Travelmarvel cancels or changes your travel arrangements in any way due to a force majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event.

Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including but not limited to overhead expenses and works or services performed personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Data Protection Policy
Any personal information (including sensitive information and health information) that Travelmarvel obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.travelmarvel.com/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

Limitation of Liability
1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of Travelmarvel. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, Travelmarvel is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.
2. If, in the opinion of any representative of Travelmarvel, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from the tour or cruise. Travelmarvel is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. Travelmarvel accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty express or implied by statute or otherwise in respect to the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, Travelmarvel's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of Travelmarvel in respect to any monies paid to your travel agent unless and until Travelmarvel notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by Travelmarvel. Travelmarvel reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by Travelmarvel within the specified time.
7. Specific meal requests are requests only and cannot be guaranteed.

Choosing Your Holiday
To maximise your enjoyment of your Travelmarvel holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our publication contains limited information; however, there is more information on our website at www.travelmarvel.com.au, and our qualified staff are available to discuss your options.

Hotels and Overnight Trains
Standards of overnight trains vary in each destination and may not include private bathroom facilities, please enquire for details. International hotel rooms may be smaller than those in Australia and New Zealand. Travelmarvel endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness,

comfort and service. The hotels listed will be used on almost all holiday packages; however, if a change is necessary for any reason, Travelmarvel will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require check-out by 10am. Where guaranteed use is required outside of these times you may be required to book and pay for additional nights.

Twin or Double Rooms
Accommodation in all hotels, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated. Many sleeper trains only offer bunk-style bedding. Bedding configurations on board cruises vary depending on the category booked.

CRUISING
Cabin/Suite/Stateroom Selection
Travelmarvel will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, Travelmarvel reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

Solo Travellers
A limited number of single rooms/suites/cabins may be available by request at time of booking your holiday package. Single rooms and suites may be smaller than standard twin or double rooms and, in some cases, may only have one single bed.

Passengers Needing Assistance
Travelmarvel welcomes all passengers. Please note:

1. Passengers with a disability or medical condition requiring assistance must inform Travelmarvel at the time of booking of all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information will allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible Travelmarvel will make reasonable adjustments to the tour to assist you however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require special assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While Travelmarvel will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Guests on Rail Journeys will need to embark and disembark trains which may not be level with the platform. Many ships require the use of stairs to go between decks. Furthermore, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. Travelmarvel ships may sail through areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Cabin doors and restrooms are not wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor. Older or historic trains do not have wheelchair facilities or provisions for using a wheelchair.

Health and Fitness
A good level of health and fitness is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot which include navigating uneven ground and climbing stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. We recommend a visit to the doctor and dentist before travelling. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other guests. A Health, Fitness and Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

Visa and Passports
All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. Travelmarvel is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

Shore Excursions
The timing of the shore excursions on all holiday packages may differ slightly for each departure. The published times are a guide only and may change without notice. It is impossible for large coaches to be used for some city sightseeing excursions and many towns and cities will be visited by way of walking tours. For cruising, clients must be able to climb ramps to embark or disembark river cruise ships. Depending on water levels, there may be a number of steep steps. Holiday packages including time in Switzerland and other alpine regions may include mountain excursions to, at times, high altitudes.

IF YOU NEED TO CHANGE OR CANCEL YOUR HOLIDAY
If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

Cancellation Policy
For all holiday packages in this brochure, Travelmarvel cancellation fees apply as follows (in addition to charges of any independent suppliers e.g. airlines and hotels):

Days of Notice	Fee Per Person
Prior to Departure	Loss of deposit
100 days or more	
99–61 days	50% of holiday package price
60 days or less	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

Cancellation Of Ticketed Airfares
A Travelmarvel cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes To Ticketed Airfares
If you wish to amend the date or touring on your ticketed air booking, a Travelmarvel amendment fee of \$30 per person for the first change and \$85 per person for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY
Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airline, hotels, etc., over whom we have no direct control. On occasions changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. Group tours require a minimum number of bookings in order for the tour to be financially viable and to have a pleasant group atmosphere. In the event that adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a full refund of monies paid for arrangements made by Travelmarvel).

ON HOLIDAY
Noise and Vibration
Travelmarvel takes reasonable steps to minimise noise and vibrations on its cruising vessels. You acknowledge and accept that some noise and vibration may be experienced on aircraft, vehicles, vessels and trains and that Travelmarvel is not liable to you for any such noise or vibration.

GREAT RAIL JOURNEYS
Rail journeys are operated by our partner Great Rail Journeys, based in York (UK), and are escorted by a Great Rail Journeys Tour Escort. For tours operated by our partner, your contract is with Great Rail Journeys as the principal operator of the tour. Portorage is not included on all of the rail journey programs (see individual itineraries). We strongly recommend you limit your luggage to one suitcase weighing less than the standard airline allowable luggage limit, to ensure you are able to manage your luggage both on and off trains and at other points throughout your journey.
