APT's Next Century Unfolds

APT has led the way in travel for a remarkable 100 years. From a single Melbourne bus route in 1927 to journeys spanning every corner of the globe, reaching this milestone is no small feat — few ever do. Our centenary reflects an extraordinary legacy of vision, passion and excellence, built across generations.

What began as a humble family business has become a world-renowned travel company. Yet at our core, we remain proudly family-owned, proudly Australian, and as committed as ever to creating unforgettable journeys. As we salute our first century, our sights are firmly set on the next — and we're thrilled to embark on it with you.

1920s

Tram strikes in northern Melbourne inspire Bill McGeary to begin his bus business. One makeshift bus swiftly expands into a fleet servicing numerous routes.

1960s

Bill's son, Geoff McGeary, joins the business and Australian Pacific Coaches is established

1970s

Australian Pacific Coaches evolves into Australian Pacific Tours. Outback camping trips flourish across Australia and the business offers its first overseas journey to New Zealand.

1990s

Canada and Alaska tours commence in partnership with Rocky Mountaineer and Holland America Line.

2000s

APT establishes three luxury Wilderness Lodges in the Kimberley at Mitchell Falls, Bell Gorge and the Bungle Bungle.

2020s

The world-class river ships, APT Solara and APT Ostara, begin cruising Europe's Rhine, Main and Danube rivers, joining their newly launched stablemates, the Mekong Serenity in Asia, and MS Estrela in Portugal.

**A legacy like no other.
A future without limits.**

Our centenary is more than just a number. It's a rare and remarkable achievement — a testament to the millions of guests we've welcomed, the passionate people who've shaped our story, and the spirit of innovation that has driven us since day one.

As we step into our second century, we're investing in what lies ahead: building new ships, unveiling extraordinary experiences, enhancing our Wilderness Lodge network and continuing to deliver what has defined APT for 100 years — impeccable service, awe-inspiring journeys, and every detail curated to the finest touch.

Join us as we forge ahead — and discover the world like never before with APT.

Terms and Conditions

The following terms and conditions ("booking conditions") form the basis of your contract with Australian Pacific Touring Pty Ltd ("APT", 'we' or 'our'). Please read them carefully as they set out your and our respective rights and obligations. These Terms and Conditions were correct at time of publication. For the most up to date Terms and Conditions, visit our website aptouring.com/terms.

GENERAL CONDITIONS

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions, that you agree to them and that you agree to these conditions applying to your holiday arrangements. We agree to make, provide or perform (as applicable) as part of our contract with you. References in these booking conditions to your 'holiday package' are references to the tour package you have booked with APT. References to 'excursions' are references to short trips or tours included or available as part of your holiday package.

Governing Law

These booking conditions are governed by the law in force in Victoria, Australia.

BEFORE YOU BOOK

Price Validity

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up to date pricing may be found on our website – www.aptouring.com. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Transfers

Airport transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the hotel at their own expense. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group.

Freedom of Choice™ and Signature Experiences

Minimum and maximum group numbers apply on some Freedom of Choice™ or Signature Experience inclusions. If your first choice of Freedom of Choice™ is unavailable, you may be asked to choose an alternative.

Public Holidays and Festivals

Most countries have public holidays, religious or otherwise. Festivities may temporarily disrupt your holiday and some religious holidays may result in a reduction of facilities and entertainment.

Superdeals and Special Offers

Conditions apply. For full terms and conditions relating to any Superdeal or Special Offer on your booking, please refer to the individual trip page on our website www.aptouring.com.

Other Special Offers

Special Deals and Special Offers other than those advertised herein may be promoted by APT after the program is released. These new Special Deals or Special Offers do not apply to existing bookings unless otherwise stated.

APT Club

Details including the full range of benefits and conditions, are available on our website at www.aptouring.com/apt-club.

BOOKING AND PAYING FOR YOUR HOLIDAY

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel. Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are recommended to purchase at time of booking.

Travel Insurance

Travel insurance is not included in your holiday package. For your protection, you are recommended to purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

For some touring programs you must purchase travel insurance as part of your booking agreement. See listed under Specific Terms and Conditions for compulsory travel insurance requirements.

Travel Information and Documents

After booking, you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit and Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards, a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards, a charge of 0.5% will be added to the tour price.

Accuracy

APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, or annual events. APT will endeavour to notify you of any significant changes prior to your departure.

Disruption to Cruising and Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights

If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

Force Majeure

Force majeure event means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning,

enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements Due to Force Majeure

If APT, in its reasonable opinion, considers that any force majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure

In the event that APT cancels or changes your travel arrangements in any way due to a force majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed personally by APT, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Data Protection Policy

Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.aptouring.com/privacy-policy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

Limitation of Liability

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.

Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover portage handling of any additional luggage. Your Tour Director will advise you of the exact additional charge.

Some holiday packages may have restricted luggage limits, please refer to Specific Terms and Conditions under relevant destination for more information.

Choosing Your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our publication contains limited information, however, there is more information on our website at www.aptouring.co.nz and our qualified staff are available to discuss your options.

Hotels

In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this brochure will be used on almost all holiday packages; however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require checkout by 10am.

Twin or Double Rooms

Accommodation in all hotels, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated. In South America, twin-bedded rooms are very common and double beds are either not available or limited in number.

Solo Travellers

A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single room/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

Cruising

Cabin/Suite/Stateroom Selection

APT will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, APT reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

Passengers Needing Special Assistance

APT welcomes passengers with disabilities or special needs; however, please note the following:

1. Any disability or medical condition requiring special attention must be reported to APT at the time of booking including all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information is also crucial to allow APT to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible APT will make reasonable adjustments to the tour to accommodate your special needs, however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require special assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking or hearing emergency alarms unaided), you must travel with a companion capable of providing the required assistance or care. Please be aware that APT does not provide personal assistance and consequently deaf passengers must share accommodation with a person capable of hearing alarms in cabins. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Most river and ocean ships have elevators, however not all APT ships have elevators. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descent stairs to cross over vessels to disembark and embark at times. APT ships often sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor. APT is unable to provide individual assistance to any passenger for walking, dining, disembarking or embarking cruise ships and/or coaches or other transportation vehicles or other personal needs.

Health and Fitness

A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. Antarctica cruises require you to be able to climb in and out of Zodiacs, and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations and consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness and Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

Shore Excursions

The timings of the shore excursions on all cruise holiday packages may differ slightly for each package. Timings of the shore excursions may differ slightly for each package and each departure. Guests must be able to climb ramps to embark or disembark cruise ships and tenders. Expedition cruise holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs.

Visa and Passports

All passengers must have a passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting

necessary passport and visa entry requirements and paying all associated costs. APT is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

Travel Insurance for Antarctica

All passengers are required to carry valid travel insurance. This insurance must contain medical and evacuation coverage and should include cancellation and trip interruption as well. As any potential evacuation from Antarctica can cost approximately US\$200,000 we recommend that no policy carries less than this amount of coverage. As part of the pre-departure forms we will require your travel insurance policy number and a 24-hour contact number.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY Changes or Additions to Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or his or her travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

Cancellation Policy

The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels):

Days of Notice:	Fee Per Person:
(Prior to Departure)	
130 days or more	Loss of deposit
129-61 days	50% of holiday package price
60 days or less	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

Cancellation of Ticketed Airfares

An APT cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes to Ticketed Airfares

If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of \$30 per person for the first change and \$65 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and APT reserves the right to cancel or amend holiday packages/ excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT).

ON HOLIDAY

Noise and Vibration

APT takes reasonable steps to minimise noise and vibrations on its cruising vessels. You acknowledge and accept that some noise and vibration may be experienced on aircraft, vehicles, vessels and trains and that APT is not liable to you for any such noise or vibration.

APT Tour Director

Medical Assistance

Seabourn employ an onboard doctor and infirmary. Guests are responsible for all charges that result from visiting either the onboard medical practitioner or a local medical facility. APT is not responsible for the type or quality of medical services you may receive.
