New-Generation Luxury River Ships

In 2025, Australia's most outstanding global tour operator will raise the standard of luxury travel to new heights with the launch of two brand-new, ultra-luxury river ships, the APT Solara and APT Ostara. This sets a new dawn for APT and river cruising.

Conceived and created in Melbourne by the world-renowned, award-winning Hecker Guthrie design team, these elegant, timeless vessels draw inspiration from Europe's waterways through places and seasons. Redefining luxury, they meld European elegance with an unpretentious Australian ease to create a European experience through Australian eyes. Our new luxury river ships proudly set a new standard in sustainability, ensuring greater emphasis on saving fuel, optimising energy and reducing waste.

Enjoy Unique Touring and Cruising Experiences

Botanica's journeys are unique; you won't find our botanically themed itineraries anywhere else in the world. Our tours take you off the main tourist trail and incorporate iconic sightseeing, garden visits and cultural experiences. Whether travelling by cruise ship, luxury coach, train or boutique canal boat, you'll appreciate Botanica's attention to detail.

In 2025 we celebrate Botanica's 25th anniversary with an exclusively chartered cruise aboard the MS Hebridean Sky, which takes a maximum of 100 guests. Aboard your river or ocean cruise, a selection of complimentary alcoholic and non-alcoholic beverages are available all day throughout your cruise. 24-hour access to tea and coffee is also available.

During your land journey, complimentary water, tea and coffee are offered during included meals, as well as a complimentary alcoholic beverage with your dinner.

Climate

The climate of most of Central and Eastern Europe, including southern Scandinavia, is categorised as humid continental. As in Western Europe, summers are mild, but winters are significantly colder, with snowfall a common occurrence in certain locations. Greenland and the Arctic are situated in the polar climate zone, resulting in chilly weather all year-round.

As weather patterns can vary significantly depending on time of year and destination, please refer to www.climate-zone.com for current weather information.

Coaches

Coaches used on our Land Journeys have generous legroom, or are 40-seater coaches, and feature an onboard toilet and complimentary wi-fi internet. On our Small Group Journeys, our luxury coaches have no more than 40 seats and are equipped with complimentary wi-fi internet. As coaches use a satellite system for wi-fi internet, routing may cause reception to be restricted at times. Complimentary wi-fi internet is not available on our Grand City Stays.

In Europe, the currency on board all of our river ships and the MV Lady Eleganza in Croatia is the Euro. The currency on board the Seabourn vessels is USD. For your convenience, any purchases and paid services on board our ships are billed to your shipboard account. Vegetarian and gluten-free options are available on cruises – please notify APT of any special dietary requirements when making your booking.

Disruption to Cruising & Itinerary Arrangements

Itineraries are subject to alteration without notice and are intended as a guide only. Although every effort will be made to keep them as they are shown in the brochure and final documents, deviations to the planned cruise/touring itineraries and hotels are possible due to road, river or weather conditions, strikes, or other reasons beyond our control. Should conditions render cruise/land touring routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation not on the docked ship and/or substitute touring arrangements.

Dress Code

The dress code on our river cruises and tours is relaxed. Light, comfortable clothing is ideal for during the day, but smart casual clothing for evenings on board the ship is recommended. You may wish to bring something a little dressier for the welcome and farewell dinners and any special events such as the visit to Vienna City Palace, however there will be no black tie or formal evenings.

On Seabourn ocean cruises, the dress code during the day is relaxed while in the evening it is smart casual. We recommend men wear slacks with a collared shirt and women wear slacks or a skirt., blouse, pant suit or dress. On Seabourn Encore and Ovation cruising in the Mediterranean, there are also formal evenings (one for cruises up to 13 days, two for cruises of 14-20 days and three for cruises of 21 or more days). On formal evenings, we recommend men wear a suit or slacks with a jacket and tie; and women to wear formal apparel such as an evening gown.

We highly recommend that you pack a variety of light to medium weight clothing, plus rain-wear in case of cooler or wet weather. Layers are a good option to cover a range of temperatures and to suit changing conditions. Comfortable footwear is imperative, as some excursions involve walking on steps or ramps to embark and disembark.

For guests travelling aboard Seabourn Venture on our Arctic itineraries (EUSCRR14/EUSSCLR24), a complimentary PolarShield Parka by Helly Hansen is provided for all guests. It is windproof, waterproof and easily fits over other layers. Guests will also receive a complimentary Helly Hansen beanie. Both of these items are provided once on board.

If your sightseeing includes churches, monasteries, mosques or synagogues, dress casually, but keep your clothes clean and ensure sufficient body cover (for example, cover your shoulders and wear trousers or a knee-length dress).

e

Elevator

An elevator is located on all ships, with the exception of MV Lady Eleganza in Croatia. All decks are accessible by elevator on our river ships except the Sun Deck.

Entertainment

Onboard entertainment varies for each ship and depends on the region and the availability of performers.

f

Infotainment System

All staterooms and suites on our European ships feature a flat-screen television with English-language programs, box office movies, classic films and the ship’s information channel.

Internet & Wi-Fi

All ships offer wi-fi in staterooms, suites and public areas. Remember to take all logins and passwords with you to enjoy easy access to your favourite websites. Complimentary wi-fi internet is available in many hotel guest rooms. When such a service is not available, complimentary wi-fi internet is generally available in public areas of most hotels. Complimentary wi-fi internet is also provided on board our coaches, with the exception of Grand City Stays. Wi-fi internet on the coaches uses a satellite system and as a result, the connection will be slower than standard broadband and at times may not be available.

Luggage

As a general rule, airlines permit passengers in economy class to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). We advise you to contact your airline carrier or travel agent for specific information prior to departure, as size and weight limitations may vary and are subject to change. Each passenger is entitled to take one piece of luggage on your tour that does not exceed the above specifications. Please limit your hand luggage to one bag that fits under your aircraft seat or in the overhead compartment.

Medical

Medical services are not available on our river ships as there are no medical personnel on board. Medical services can be called from shore, as ships are usually close to a town. On Seabourn vessels, a small medical facility is staffed by a doctor and a nurse. This facility is equipped to provide medical care for illness or accidents that arise during the cruise, but is not intended to provide ongoing medical treatment. For all APT cruises and tours, we recommend you bring adequate supplies of prescription medications.

Physical Fitness

APT cruises and tours are not physically demanding, however because of the nature of many of the sites you will be visiting, some tours will require a good level of fitness and health to participate. Some trips may not be appropriate for guests with certain medical conditions and physical restrictions. Walking tours are often on uneven ground (such as cobblestones) and may include stairs as well as steep inclines. You should be able to stand on your feet for an extended period of time to visit museums, attractions and other sites, as well as when checking in for flights and cruises and at Customs and Immigration. Small Ship Expedition cruises require regular embarkation and disembarkation of Zodiacs for shore access, as well as wet landings on occasion, dependent on your itinerary. Passengers must be able to step in and out of smaller vessels, climb ramps and steps. Some tours visit remote areas and feature activities with varying degrees of difficulty, therefore it is vital to select a tour with an activity level suited to your health and fitness.

Reception

Each ship’s reception area is staffed 24 hours a day, as are all hotels used throughout our itineraries.

Room Service

APT Solara and APT Ostara

Complimentary room service dining is available to all guests on board. Room service dining includes continental breakfasts and a selection of menu items from the main restaurant.

MS Estrela

Shore Excursions

Participation in shore excursions is at your discretion. If you would like to explore independently, your Cruise Director can make suggestions as to places to visit. You must make sure to return to the ship before it departs.

Smoking

Smoking is not permitted anywhere inside any of our ships or coaches, including on balconies in your suite. Smoking is only permitted on the Sun Deck in a designated area. The same policy applies for electronic cigarettes.

Swimming Pool/Jacuzzi

All APT river ships feature a swimming pool, as do Seabourn ocean ships.

Telephone

All suites are equipped with a telephone. It can be used to call between suites as well as from ship to shore. As the telephone system functions via satellite, there may be times, depending on routing, when the phones are out of range.

Transfers

Airport transfers are included on the first and last day of your holiday package. They must be pre-arranged at the time of booking and flight details need to be provided to confirm this service. Airport transfers are not included when pre or post accommodation is not booked with APT.

Wellness Centre

Each ship’s Wellness Centre boasts a range of cardiovascular equipment. Use of equipment is at the sole risk of the user. The ship’s Massage and Hair Salon provides hair styling and massages. Appointments can be made on board. Not available on the MV Lady Eleganza and the MS Estrela.

Zodiacs

Zodiacs are versatile, inflatable boats, used for some shore transfers and excursions on our Small Ship Expedition cruises in Northern Europe. They are a unique vessels for observing wildlife and enjoying landscapes from sea level on expedition cruises. They also provide a fast and safe way to go ashore in remote locations. The use of Zodiacs will be dependent on your cruise itinerary, see the Zodiac rating on each itinerary.

Terms & Conditions

The following terms and conditions ('booking conditions') form the basis of your contract with Australian Pacific Touring Pty Ltd ('APT', 'we' or 'our'). Please read them carefully as they set out your and our respective rights and obligations.

These Terms & Conditions were correct at time of publication. For the most up to date Terms & Conditions visit our website www.aptouring.com.au/legal/general-information-conditions

GENERAL CONDITIONS:

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions, that you agree to them and that you agree to them applying to your holiday arrangements that you book with us and which we agree to make, provide or perform (as applicable) as part of our contract with you. References in these booking conditions to your 'holiday package' are references to the tour package you have booked with APT. References to 'excursions' are references to short trips or tours included or available as part of your holiday package.

Governing Law

These booking conditions are governed by the law in force in Victoria, Australia.

BEFORE YOU BOOK

Price Validity

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up-to-date pricing may be found on our website – www.aptouring.com.au. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

Transfers

Airport transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the hotel at their own expense. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group.

Freedom of Choice™ & Signature Experiences

Minimum and maximum group numbers apply on some Freedom of Choice or Signature Experience inclusions. If your first choice of Freedom of Choice or Signature Experience is unavailable you may be asked to choose an alternative.

Public Holidays & Festivals

Most countries have public holidays, religious or otherwise. Festivities may temporarily disrupt your holiday and some religious holidays may result in a reduction of facilities and entertainment.

Details including the full range of benefits and conditions, are available on our website at aptouring.com.au/aptcclub

BOOKING & PAYING FOR YOUR HOLIDAY

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel.

Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are recommended to purchase at the time of booking.

Travel Insurance

Travel Insurance is not included in your holiday package. For your protection, we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

Travel Information & Documents

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests

Where a special request (e.g. diet, room location, twin or double-bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit & Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

Accuracy

APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities, and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, annual events. APT will endeavour

to notify you of any significant changes prior to your departure.

Disruption to Cruising & Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, river or weather conditions, strikes, airline schedule changes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary.

APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights

If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

Force Majeure

Force majeure event means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements due to Force Majeure

If APT, in its reasonable opinion, considers that any force majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure

In the event that APT cancels or changes your travel arrangements in any way due to a force majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or

change to your travel arrangements; or (b) the force majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed personally by APT, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Data Protection Policy

Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.aptouring.com.au/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

Limitation of Liability

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse

to carry any passenger where payment has not been received by APT within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

Local Purchases

APT is not responsible for any items you may purchase locally i.e. jewellery/furniture etc. You acknowledge that you are solely responsible for any import duty or freight costs.

Personal Belongings & Lost Items

For security reasons, valuables should be kept to a minimum and packed in your hand luggage along with your medicines. It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from a visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

Smoking

Government regulations forbid smoking in tourist coaches however frequent stops are made for those wishing to smoke. Smoking is not permitted in hotel rooms or ship cabins. Requests for smoking/non-smoking rooms will be passed on to hotels but cannot be guaranteed.

Responsible Service of Alcohol

Our staff are trained in the responsible service of alcohol and are obliged by law to refuse service to any guest who, in their reasonable opinion, appears to be intoxicated or behaves in an aggressive or offensive manner.

Service Enquiries

If a problem occurs during your holiday you should, in your own interests, advise your Tour Director so that steps can be taken to resolve the matter. If you remain dissatisfied, any complaint must be made in writing to APT within 30 days.

Luggage Limits

Each passenger is entitled to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover portage handling of any additional luggage. Your Tour Director will advise you of the exact additional charge.

Not Included in Holiday Package Price

Airfares (unless stated), airport taxes, meals and drinks other than those specified in the itinerary, passport and visa fees, excess baggage, fuel surcharges, gratuities not specified in your itinerary, vaccinations, government taxes and laundry (unless stated),

Choosing Your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our publication contain limited information, however, there is more information on our website at aptouring.com.au and our qualified staff are available to discuss your options.

Gratuities

Gratuities for the land portion of your tour, shore excursions, and on board your cruise are included within the tour price. Gratuities cannot be redeemed for cash.

Hotels

Hotel rooms in Europe are often smaller than those in Australia and New Zealand. In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination. The hotels listed will be used on almost all holiday packages, however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown.

Twin or Double Rooms

Accommodation in all hotels, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated.

Solo Travellers

A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single room/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

Cruising – Cabin/Suite/Stateroom Selection

APT will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, APT reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

Passengers Needing Assistance

APT welcomes all passengers. Guests with limited mobility are asked to please note the following:

1. Guests with a disability or medical condition requiring assistance must inform APT of any important information relating to their health, mobility and/or fitness which may affect their partial or total participation in the cruise or tour. This information will allow APT to ensure the chosen tour is suitable and meets their needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible, APT will make reasonable adjustments to the tour to assist all guests, however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If guests require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), they must travel with a companion capable of providing the required assistance or care. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. Guests must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. APT ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks, tender boats, riverbanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Due to the lack of infrastructure along the riverbanks, and absence of lifts on board vessels, wheelchairs will be of minimal use. Passengers who use a wheelchair should reconsider travelling on these tours.

Health and Fitness

A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive

sightseeing excursions by foot, which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. Small Ship Expedition cruises require you to be able to climb in and out of zodiacs and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations and consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

Visa and Passports

All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. APT is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

Shore Excursions

The timing of shore excursions on all holiday packages may differ slightly for each package. Published times are a guide only and are subject to change without notice. It is impossible for large coaches to be used for some city sightseeing excursions and many towns and cities will be visited by way of walking tours. For river cruising, clients must be able to climb ramps to embark or disembark river cruise ships. Depending on river water levels, these may have a number of steep steps. Venue closures outside of APT's control may affect our ability to operate some excursions. Holiday packages including time in Switzerland and other alpine regions may include excursions to, at times, high altitudes. Small Ship Expedition cruising holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs or tenders.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

Changes or Additions to Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

Cancellation Policy

The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels):

Days of Notice

Prior To Departure

100 days or more

99-61 days

60 days or less

Fee Per Person

Loss of deposit

50% of holiday package price

100% of holiday package price

All cancellations must be received in writing by APT and are not effective until this notification has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed.

Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing these tours.

fee of \$70 per person in addition to any applicable cancellation fees.

Cancellation of Ticketed Airfares

An APT cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes to Ticketed Airfares

If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of \$30 per person for the first change and \$85 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT).

ON HOLIDAY

Noise and Vibration

APT takes reasonable steps to minimise noise and vibrations on its cruising vessels. You acknowledge and accept that some noise and vibration may be experienced on aircraft, vehicles, vessels and trains and that APT is not liable to you for any such noise or vibration.

Docking Position

During port stops ships may dock side by side, obstructing views and requiring you to pass through other ships to embark or disembark.

Sun Deck

During passage through locks or under low bridges, or in the case of adverse weather, it may be necessary to close the main sun deck for passenger use. In the interests of safety, sun deck closures are rigidly enforced. While circumstances will vary and are beyond control, closures of the main sun deck may amount to 4-6 days on average per 15-day cruise. The lower sun deck may also close for short periods of time.

Seat Allocation on Coach Tours

To ensure all passengers enjoy forward and window facing seats, we have incorporated a daily seat rotation system. This system is not able to be adjusted to suit individual needs under any circumstances.

Wi-fi Internet – Rivers, Small Ship Expedition & Luxury Yacht Cruising

Wi-fi internet is available without charge aboard your vessel although APT cannot guarantee the consistency of the service throughout the cruise.
