APT's Next Century Unfolds

APT has led the way in travel for a remarkable 100 years. From a single Melbourne bus route in 1927 to journeys spanning every corner of the globe, reaching this milestone is no small feat — few ever do. Our centenary reflects an extraordinary legacy of vision, passion and excellence, built across generations.

What began as a humble family business has become a world-renowned travel company. Yet at our core, we remain proudly family-owned, proudly Australian, and as committed as ever to creating unforgettable journeys. As we salute our first century, our sights are firmly set on the next — and we're thrilled to embark on it with you.

**A legacy like no other.
A future without limits.**

Our centenary is more than just a number. It's a rare and remarkable achievement — a testament to the millions of guests we've welcomed, the passionate people who've shaped our story, and the spirit of innovation that has driven us since day one.

As we step into our second century, we're investing in what lies ahead: building new ships, unveiling extraordinary experiences, enhancing our Wilderness Lodge network and continuing to deliver what has defined APT for 100 years — impeccable service, awe-inspiring journeys, and every detail curated to the finest touch.

Join us as we forge ahead — and discover the world like never before with APT.

If you have a food allergy or another condition that needs to be managed on tour, please advise your booking agent as soon as possible, as most suppliers require advance notice to accommodate this. In some cases, you might be asked to fill out a form or waiver.

Audio Guides

Each guest will have an audio headset on tour. During excursions, these lightweight headsets allow you to hear every word of your local guide's commentary. On board your river ship, this device also delivers commentary on the places you're cruising past.

b

Bedding Configuration

All suites on all river ships and hotel accommodation can be configured as either double or twin share. Some suites on the MV Lady Eleganza, APT Solara and APT Ostara cannot be configured as twin share. Your preference will be noted at the time of booking.

The climate of most of Central and Eastern Europe, including southern Scandinavia, is categorised as humid continental. As in Western Europe, summers are mild, but winters are significantly colder, with snowfall a common occurrence in certain locations.

As weather patterns can vary significantly depending on time of year and destination, please refer to www.climate-zone.com for current weather information.

Coaches

Currency

In Europe, the currency on board all our river ships and MV Lady Eleganza in Croatia is the Euro. The currency on board Seabourn Venture and Seabourn Ovation is USD. For your convenience, any purchases and paid services on board our ships are billed to your shipboard account. On APT Solara and Ostara, three specialist dining venues require reservations: The Owner's Cellar, Annie's Table and The Grüner Bar & Dining. APT pre-book your reservations at these restaurants in advance, scheduling bookings to ensure that all guests can experience each of the venues at least once. On land, a full buffet breakfast is included each day. Select lunches and dinners are also included as indicated on itinerary pages.

Vegetarian and gluten-free options are available on cruises — please notify APT of any special dietary requirements when making your booking.

Disruption to Cruising and Itinerary Arrangements

Itineraries are subject to alteration without notice and are intended as a guide only. Although every effort will be made to keep them as they are shown in the brochure and final documents, deviations to the planned cruise/touring itineraries and hotels are possible due to road, river or weather conditions, strikes, or other reasons beyond our control. Should conditions render cruise/land touring routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation not on the docked ship and/or substitute touring arrangements.

Dress Code

The dress code on our river cruises and tours is relaxed. Light, comfortable clothing is ideal for during the day, but smart casual clothing for evenings on board the ship is recommended. You may wish to bring something a little dressier for the welcome and farewell dinners and any special events such as the visit to Vienna's City Palace, however, there will be no black tie or formal evenings.

On Seabourn ocean cruises, the dress code during the day is relaxed while in the evening it is smart casual. We recommend men wear slacks with a collared shirt and women wear slacks or a skirt, blouse, pant suit or dress.

We highly recommend that you pack a variety of light to medium weight clothing, plus rain-wear in case of cooler or wet weather. Layers are a good option to cover a range of temperatures and to suit changing conditions. Comfortable footwear is imperative, as some excursions involve walking on steps or ramps to embark and disembark.

If your sightseeing includes churches, monasteries, mosques or synagogues, dress casually, but keep your clothes clean and ensure sufficient body cover (for example, cover your shoulders and wear trousers or a knee-length dress).

e

Elevator

An elevator is located on all ships, with the exception of the MV Lady Eleganza in Croatia. All decks are accessible by elevator on our river ships except the Sun Deck.

All ships offer Wi-Fi in staterooms, suites and public areas. Remember to take all logins and passwords with you to enjoy easy access to your favourite websites. As all ships use a satellite system, routing may cause reception to be restricted at times. Connection speeds are slower than on shore. There are no printers available on our ships.

Complimentary Wi-Fi internet is available in many hotel guest rooms. When such a service is not available, complimentary Wi-Fi internet is generally available in public areas of most hotels. Complimentary Wi-Fi internet is also provided on board our coaches, with the exception of City Stays. Wi-Fi internet on the coaches uses a satellite system and as a result, the connection will be slower than standard broadband and at times may not be available.

L

Language

The official language used by APT staff worldwide is English. All staff, crew and local guides speak English throughout Europe. For your convenience, all guided tours, announcements and lectures will be presented in English.

Laundry

Laundry services are available on board and price lists will be available in your suite. Clothes cannot be dry-cleaned on board river and ocean ships. Self-service laundry facilities are also not available. For safety reasons, it is not permitted to use an iron in your suite. In select suites on APT Europe River Cruises, we offer a complimentary laundry service:

APT Solara and APT Ostara

Guests travelling in a category P Balcony Suite or Category OS Owner's Suite benefit from a complimentary laundry service. This service includes one bag of laundry per cabin for guests travelling on seven-night cruises, and two bags of laundry per cabin for guests travelling on 14-night cruises. Guests travelling in Category OS Owner's Suites will also receive complimentary pressing of two garments per day.

MS Estrela

Guests travelling in a category P Balcony Suite, Category S Suite or Category OS Owner's Suite benefit from a complimentary laundry service. This service includes one bag of laundry per cabin per cruise.

Library

Our ships have a collection of books and games available for guests to borrow free of charge.

Lounge

All ships feature a large, comfortably furnished main lounge, which serves as a gathering place for port talks, lectures and entertainment. The bar and self-service tea and coffee station are located here.

Luggage

As a general rule, airlines permit passengers in economy class to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). We advise you to contact your airline carrier or travel agent for specific information prior to departure, as size and weight limitations may vary and are subject to change. Each passenger is entitled to take one piece of luggage on your tour that does not exceed the above specifications. Please limit your hand luggage to one bag that fits under your aircraft seat or in the overhead compartment.

M

Medical

Medical services are not available on our river ships as there are no medical personnel on board. Medical services can be called from shore, as ships are usually close to a town. On the Seabourn Venture and Seabourn Ovation, a small medical facility is staffed by a doctor and a nurse. This facility is equipped to provide medical care for illness or accidents that arise during the cruise, but is not intended to provide ongoing medical treatment. For all APT cruises and tours, we recommend you bring adequate supplies of prescription medications.

P

Physical Fitness

We strongly recommend all travellers consult their doctor or a travel health clinic for personalised advice on vaccinations and preventative measures relevant to their destinations. While most countries visited offer adequate medical care for minor health concerns, standards may vary and could differ from those you are accustomed to.

To ensure a comfortable and enjoyable experience, we recommend selecting a tour that aligns with your fitness and mobility levels. Programs offered by APT are generally not physically demanding; however, the fitness level required does vary between tours and travel styles.

Walking tours may involve navigating uneven surfaces, steps, steep inclines and periods of standing. Guests must be able to embark and disembark vehicles and vessels unaided.

Crew and guides are unable to assist passengers on and off ships and coaches due to occupational health and safety regulations.

For European river cruises, please note that some ports involve embarkation or disembarkation via the Sun Deck, which cannot be accessed via the elevator.

On Small Ship Cruises, you will be required to embark or disembark Zodiacs or tender boats for shore access, which involve climbing ramps and steps.

Detailed activity and fitness level information for your chosen tour is available upon request.

R

Reception

Each ship's reception area is staffed 24 hours a day, as are all hotels used throughout our itineraries.

Room Service

APT Solara and APT Ostara

Complimentary room service dining is available to all guests on board. Room service dining includes continental breakfasts and a selection of menu items from the main restaurant.

MS Estrela

Complimentary room service dining is available to guests in Category P, S and OS accommodation. Room service dining includes continental breakfasts and a selection of menu items from the main restaurant.

MV Lady Eleganza

Room service dining is not available.

Seabourn Venture and Seabourn Ovation

Complimentary room service is available 24 hours a day. Course-by-course dining from The Restaurant menu is also available in your suite during extended dinner hours.

S

Shore Excursions

Participation in shore excursions is at your discretion. If you would like to explore independently, your Cruise Director can make suggestions as to places to visit. You must make sure to return to the ship before it departs.

Smoking

Smoking is not permitted anywhere inside any of our ships or coaches, including on balconies in your suite. Smoking is only permitted on the Sun Deck in a designated area. The same policy applies for electronic cigarettes.

Swimming Pool

All APT river ships feature a swimming pool, as do Seabourn ocean ships.

T

Telephone

All suites are equipped with a telephone. It can be used to call between suites as well as from ship to shore. As the telephone system functions via satellite, there may be times, depending on routing, when the phones are out of range.

Transfers

Airport transfers are included on the first and last day of your holiday package. They must be pre-arranged at the time of booking and flight details need to be provided to confirm this service. Airport transfers are not included when pre or post accommodation is not booked with APT.

W

Wellness Centre

Each ship's Wellness Centre boasts a range of cardiovascular equipment. Use of equipment is at the sole risk of the user. The ship's Massage and Hair Salon provides hair styling and massages. Appointments can be made on board. Not available on the MV Lady Eleganza and the MS Estrela.

Z

Zodiacs

Zodiacs are versatile, inflatable boats, used for some shore transfers and excursions on our Norwegian Fjords Small Ship Cruise.

Key Terms and Conditions

Visit aptouring.com/terms-and-conditions for full Terms and Conditions.

Key Terms and Conditions

This is a summary of key terms and conditions only. Please visit www.aptouring.com/terms-and-conditions for full Terms and Conditions, or request a hard copy from your travel agent or from APT directly. The full Terms and Conditions apply to and govern our relationship with you and all arrangements you ask us to make and that we make on your behalf. By asking us to confirm your booking, we are entitled to assume that you have read the full Terms and Conditions, that you agree to them, and that you agree that they apply to any arrangements that you book with us and which we agree to make.

Price Validity

Prices in this brochure were correct at time of publication but are subject to change. The most up-to-date pricing will be found on our website – www.aptouring.com. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Credit and Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards, a surcharge of between 1% and 3% (depending on the card used) is added to the tour price. In the case of debit cards, a charge of 0.5% is added to the tour price.

Travel Insurance

Travel insurance is not included in your holiday package. For peace of mind, we strongly recommend that you purchase appropriate fully comprehensive travel insurance suitable for your trip. For some destinations Travel Insurance is mandatory, please refer to the website for your destinations requirements.

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package. All airfares are subject to flight and class availability and will be booked on receipt of your deposit to avoid price or tax increases. Once air tickets are issued, amendment and cancellation fees and conditions apply and, in some cases, are non-refundable.

Transfers

Airport transfers are included on the first and last day of the holiday package and may be at designated times. They are not refundable if not used and cannot be re-routed. Other than the included transfer, all other transfers are at the travellers' own expense.

Freedom of Choice

Minimum and maximum group numbers apply on some Freedom of Choice tours. If your first choice is not available, you may be asked to choose an alternative.

Cancellation Policy

The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels). Cancellation fees charged depending on days prior to departure may vary by destination. Please refer to our website for cancellation fees specific to your tour destination:

Days of Notice

(Prior to Departure):	Fee Per Person:
100 days or more	Loss of deposit
99–61 days	50% of holiday package price
60 days or less	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation

reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

Please see our full Terms and Conditions for full details of APT cancellation fees, and details of fees relating to cancellation of or changes to ticketed airfares.

APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled up to the final payment due date and your deposit will be returned as an APT holding credit to be used for future bookings. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels.

Passports and Visas

All passengers must have a passport valid for at least six months after the holiday package return date. Passengers must consult the appropriate consulates or government websites to ensure they have any required visas or documentation for the countries included in their holiday package.

Disruption to Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons, including reasons beyond APT's control. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary.

Limitation of Liability

Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents or employees of APT. APT is not responsible for the conduct of the independent providers or their agents or for any ramifications of that conduct. APT accepts no responsibility for any death, injury, illness, loss, damage, detention, or delay beyond its control. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in our terms and conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions:

(a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused.

Force Majeure

Force Majeure event means the occurrence of an event that is beyond APT's reasonable control, and which could not have been reasonably prevented by APT. For a non-exhaustive list of examples of Force Majeure events, please see our full Terms and Conditions.

Termination of Booking Contract or Change of Travel Arrangements Due to Force Majeure

If APT, in its reasonable opinion, considers that any Force Majeure event prevents APT (directly, or through its employees, contractors, subcontractors and

agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice:

(a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Case of Force Majeure

If APT cancels or changes your travel arrangements in any way due to a Force Majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the Force Majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a Force Majeure event. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all medical fees.

Gratuities

Gratuities for the land portion of your tour, shore excursions, and on board your cruise are included in the tour price. Gratuities cannot be redeemed for cash.
