Western Australia

Explore an immense region, rich in biodiversity, culture, history and legendary landscapes

The lure of Western Australia is irresistible. Beyond outback landscapes and serene coastlines, discover the secrets of the Kimberley, the west coast and the captivating southwest corner.

THE KIMBERLEY

Explore the ancient landscapes of the Kimberley by custom-designed 4WD. This remote region is home to epic gorges, immense parks and Aboriginal rock art, promising an adventure of a lifetime.

SPECTACULAR GORGES

Western Australia's landscapes are synonymous with stunning gorges. Explore Cathedral Gorge in Purnululu National Park and discover a natural amphitheatre of vibrant rock formed over millions of years. At Joffre Gorge, take in the stunning views of the falls and terraced cliff face.

HISTORIC BROOME

Broome's rich history and vibrant culture are as striking as its landscape. Though the pearling boom claimed the lives of many Aboriginal, Chinese, Malay, and Japanese divers, the town's thriving multicultural community is a lasting testament to that daring era.

NINGALOO REEF

Almost 300 kilometres long, Ningaloo is Australia's largest fringing coral reef and hosts over 500 species of fish. Highly diverse, this national treasure offers a kaleidoscope of vivid coral vistas.

MONKEY MIA DOLPHINS

At Monkey Mia, see the local wild Indo-Pacific bottlenose dolphins up close when they swim up to shore for their daily feeds, only a stone's throw away from your beachfront hotel.

A WORLD APART

Exploring Nambung National Park is like walking on a different planet. Wander through The Pinnacles, thousands of towering limestone pillars set against a desert-sand backdrop, forming one of the country's most intriguing landscapes.

WILDFLOWER SPOTTING

Between August and October, more than 800 species of wildflowers bloom in bright, beautiful pockets across the southern region of Western Australia. Many are found nowhere else on Earth (viewing subject to seasonal conditions).

WAVE ROCK

Hyden's Wave Rock looms some 15 metres high and stretches over 100 metres in length. Appearing just like an ocean breaker, this striped granite rock formation stands frozen in time and is thought to be over 27 million years old.

THE INDIAN PACIFIC

Journey across Australia from Sydney to Perth aboard the Indian Pacific train. As you make your way through Broken Hill, Adelaide and Rawlinna en route to Perth, you'll enjoy a variety of off-train excursions. And, at the heart of this adventure, lies the expansive Nullarbor Plain.

MARGARET RIVER REGION

FREQUENTLY ASKED *Questions*

TIPS AND INFORMATION ABOUT YOUR AUSTRALIAN ADVENTURE

Purnululu National Park's Cathedral Gorge in Western Australia

ARE THERE A LOT OF WALKS ON THE TOUR?

There are walks on our tours; however, they are mostly short in distance and many stops are available. Your Cruise Director, Tour Director or Driver-Guide are available to advise you of different options you can take. Kimberley and Outback 4WD tours have longer walks in warm climates, and often on unsteady ground. Information on our walks can be found on our website.

CAN I TRAVEL ALONE?

Of course! Many of our passengers are solo travellers, though there are a limited number of solo rooms available on each trip.

WHAT LEVEL OF MOBILITY IS REQUIRED?

A good level of health and fitness is required to participate on a Travelmarvel holiday. You will be required to embark and disembark Zodiacs on cruises, the paddle steamer, and coaches unaided, and climb stairs or walk on uneven terrain. We recommend being able to walk unaided for a minimum of a kilometre, unless you are on a remote Kimberley tour, where some walks can reach up to five kilometres in hot conditions on uneven ground. You may be required to complete a Travelmarvel Health and Fitness Mobility Form. Please speak to your booking agent regarding this.

IS THERE A TOILET ON THE COACH/4WD VEHICLE?

Yes, there is a toilet on board all of our coaches and 4WD vehicles for guest use. We also make regular rest breaks as well.

WHEN IS THE BEST TIME TO TRAVEL TO AUSTRALIA?

We operate tours in Australia all year round. With a varying climate, the best time to travel in Australia is based on what kind of experience you're after. Peak travel times fall between March and November for Western Australia, the Northern Territory and Queensland, and September and March in Tasmania and Victoria when the weather is warmer. You may prefer the quieter shoulder season between April and May when the weather is cooler and the attractions are less crowded.

WHAT CLOTHING SHOULD I BRING?

Naturally this depends on personal preferences. However, it is recommended that passengers take into account the time of year they are travelling and bring a variety of warm and cool clothing. When touring in remote inland areas, nights can get cold, so prepare accordingly. Pack sufficient lightweight, comfortable clothing and footwear – wearing layers is the best option. You should also make sure your shoes fit well and have been broken in prior to your trip to ensure they are comfortable for all types of excursions. Wet shoes (reef shoes or rubber sandals) are essential for Kimberley Coastal Cruises. Most guests dress casually on tour; however, if heading into town for a night or a Welcome or Farewell Dinner on your cruise, you may want to wear something smarter.

WILL I NEED A PASSPORT OR VISA?

Kimberley Coastal Cruise guests must have a valid passport with at least six months' validity from the return date. It is your responsibility to ensure these are obtained prior to departure. No visas are required for Australian and New Zealand passport holders.

I GET MOTION SICKNESS AND HAVE A DOCTOR'S CERTIFICATE ADVISING THIS, CAN I SIT IN THE FRONT ROW OF THE COACH/4WD VEHICLE?

To ensure all passengers have the opportunity to enjoy sitting at the front of the coach or 4WD vehicle, we have implemented a daily seat rotation system. This system is not able to be adjusted to suit individual needs. Therefore, you may wish to bring along some natural remedies and medication to assist with motion sickness.

I HAVE SPECIAL DIETARY REQUIREMENTS, CAN THESE BE CATERED FOR?

All dietary requests will be taken into consideration and fulfilled where possible. The wide selection of menus and choice of dishes available will help in meeting special dietary requests. Please advise your booking agent as soon as possible of any dietary requests.

IS THERE INTERNET OR WI-FI AVAILABLE ON TOUR?

In some remote areas, including on your expedition cruise, mobile phone service is extremely limited. Wi-Fi internet is available at most hotels, lodges and on board the expedition ship and PS Emmylou paddle steamer, but it is not guaranteed.

WILL I NEED TRAVEL INSURANCE?

Travel insurance is mandatory on all cruises and highly recommended on all Land Tours. Travel insurance must be arranged prior to departure to ensure that you are covered for any unforeseen circumstances that may arise on tour (including cancellations, fees, medical and curtailment expenses, loss of luggage etc.). In most cases, cruise travel

insurance will cover medical expenses. This includes treatment from the onboard doctor, who operates under international standards.

WHAT ADAPTORS WILL I NEED?

In the Kimberley, our Wilderness Lodges generate their own power. Each lodge can assist in charging items in central dining areas. CPAP machines can be accommodated when advised at time of booking. On board your Kimberley Coastal Cruise, the voltage is 200V AC (European standard) and 110V AC (North American standard). A limited number of adaptors are available on board and you are welcome to bring your own. For safety reasons, hair irons and clothes irons cannot be used in staterooms. Hair dryers are provided in each stateroom.

HOW MUCH LUGGAGE CAN I BRING?

On our Coastal and River Cruises, we have a limit of one piece of luggage with a weight of no more than 20kg per person with sizing regulations. On 4WD Tours, there is a limit of one soft bag weighing no more than 16kg with dimensions of no more than 66cm length x 35cm width x 32cm height. OHS regulations apply to the lifting of overweight items. This is regardless of any airfare luggage limits available in your flight booking class. Enquire about purchasing a Travelmarvel Duffle Bag that matches these size requirements.

WHAT ARE ZODIACS?

Used on our Kimberley Coastal Cruises, Zodiacs are versatile, inflatable boats, which provide a platform for observing wildlife from sea level. They provide a fast and safe way to go ashore in remote locations and are invaluable for exploration.

BEFORE YOU BOOK

PRICE VALIDITY

Published prices are valid at the time of publication but are subject to change. BOOKING AND PAYING FOR YOUR HOLIDAY

AIRFARES

Air travel is arranged with independent airlines. Travelmarvel will arrange air travel as advertised in connection with your holiday package or otherwise arranged with Travelmarvel. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Travelmarvel is not liable for delays or disruptions of air travel. Once tickets are issued, Travelmarvel will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

AIRLINE LOYALTY POINTS ELIGIBILITY

Travelmarvel uses the services of a range of airlines in its packages. Travelmarvel does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

TRAVELMARVEL DEPOSIT CANCELLATION PEACE OF MIND

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as a Travelmarvel holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including, but not limited to, air travel, rail travel and hotels. When booking airfares through Travelmarvel (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. Travelmarvel Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are strongly recommended to purchase at the time of booking.

TRAVEL INSURANCE

Travel insurance is not included in your holiday package. For your protection, we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

TRAVEL INFORMATION AND DOCUMENTS

After booking, you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure, you will receive your e-ticket together with your final itinerary. In the case of late bookings, charges or late payment, tickets may be emailed to you.

SPECIAL REQUESTS

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request onto the hotel, airline or other supplier, but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline, but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

CREDIT AND DEBIT CARD SURCHARGES

If you pay Travelmarvel by credit or debit card, surcharges will apply. In the case of credit cards, a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards, a charge of 0.5% will be added to the tour price.

ACCURACY

Travelmarvel has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions, facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions or annual events. Travelmarvel will endeavour to notify you of any significant changes prior to your departure.

DISRUPTION TO CRUISING AND ITINERARY ARRANGEMENTS

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond Travelmarvel's control. If conditions render any routes unsafe for navigation, Travelmarvel reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes, for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel cannot guarantee exact arrival and departure times for carriers and operators used by Travelmarvel will not be liable for failure to make connections with any other services or attractions beyond its control.

FLIGHT CHANGES

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation, are also subject to change. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees, except where specified in these booking conditions.

OUT OF DATE RANGE FLIGHTS

If airlines have not published their schedules or airfares at the time of your booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your tickets.

FORCE MAJEURE

A force majeure event is the occurrence of an event that is beyond Travelmarvel's reasonable control and which could not have been reasonably prevented by Travelmarvel, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute,

regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

TERMINATION OF BOOKING CONTRACT OR CHANGE OF TRAVEL ARRANGEMENTS DUE TO FORCE MAJEURE

If Travelmarvel, in its reasonable opinion, considers that any force majeure event prevents Travelmarvel (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

LIMITATION OF LIABILITY IN THE EVENT OF FORCE MAJEURE

In the event that Travelmarvel cancels or changes your travel arrangements in any way due to a force majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including, but not limited to, overhead expenses and works or services performed personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, Travelmarvel's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including, but not limited to, pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of Travelmarvel in respect to any monies paid to your travel agent unless and until Travelmarvel notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by Travelmarvel. CHOOSING YOUR HOLIDAY

To maximise your enjoyment of your Travelmarvel holiday and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for you. Our publication contains limited information, however, there is more information on our website at travelmarvel.com.au, and our qualified staff are available to discuss your options.

HOTELS

In more remote locations, hotel standards may not be as high as in major centres. Travelmarvel endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this publication will be used on almost all holiday packages, however, if a change is necessary for any reason, Travelmarvel will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown.

TWIN OR DOUBLE ROOMS

Accommodation in all hotels and camps, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated.

SOLO TRAVELLERS

A limited number of single rooms/suites/cabins may be available by request at time of booking your holiday package. Single rooms/ suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

CRUISING – CABIN/SUITE/STATEROOM SELECTION

Travelmarvel will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, Travelmarvel reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

PASSENGERS NEEDING SPECIAL ASSISTANCE

Travelmarvel welcomes passengers with disabilities or special needs however, please note the following:

1. Any disability or medical condition requiring special attention must be reported to Travelmarvel at the time of booking, including all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information is also crucial to allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible, Travelmarvel will make reasonable adjustments to the tour to accommodate your special needs; however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require special assistance or care, (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Please be aware that Travelmarvel does not provide personal assistance. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation, you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While Travelmarvel will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches, minibuses and 4WD vehicles are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks, as some do not have elevators. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. Ships often sail through remote areas that do not have convenient docking facilities. In such instances, it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Cabin doors and rest rooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor.

5. Please note that Travelmarvel is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

6. Please note that Travelmarvel is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

PASSPORTS AND VISAS

All Coastal Cruise passengers must carry a passport which is valid through to the date of your cruise conclusion. Meeting necessary passport and visa requirements and cost is the sole responsibility of the passenger. Non-Australian passport holders, or passengers who are not permanent resident permit holders for Australia, may require a visa to enter Australia. Travelmarvel is not responsible for delays or missed portions of the holiday package relating to incorrect travel documents.

HEALTH AND FITNESS

A good level of fitness and health is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot, which includes the climbing of stairs and walking on uneven surfaces. Mobility is needed when boarding or alighting coaches and trains. Our Coastal Cruises require you to be able to climb in and out of Zodiacs, and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations and consulting with them regarding any vaccinations which may be required. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness and Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

SHORE EXCURSIONS

The timing of the shore excursions on all cruise ship holiday packages may differ slightly for each package. The published times are a guide only and are subject to change without notice. Passengers must be able to climb ramps to embark or disembark cruise ships and tenders. Coastal Cruise holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs or tenders.

ENHANCE YOUR JOURNEY – OPTIONAL EXCURSIONS

These experiences are an additional cost to the tour price. Minimum and maximum group numbers apply for the tour to operate and all tours are subject to availability and local conditions. Gratuities are not included on optional experiences.

IF YOU CHANGE OR CANCEL YOUR HOLIDAY

CHANGES OR ADDITIONS TO YOUR HOLIDAY

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be

subject to an administration charge of \$70 per person, and payment of any further costs incurred as a result of the change.

CANCELLATION POLICY

For all holiday packages in this publication, the following Travelmarvel cancellation fees apply:

Days of Notice	Fee Per Person
100 days or more	Loss of deposit
99-61 days	50% of holiday package price
60 days or less	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes or amend your booking in any way after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

CANCELLATION OF TICKETED AIRFARES

A Travelmarvel cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

CHANGES TO TICKETED AIRFARES

If you wish to amend the date or routing on your ticketed air booking, a Travelmarvel amendment fee of \$30 per person for the first change and \$85 per person for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change, in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion, changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by Travelmarvel).

ON HOLIDAY

NOISE AND VIBRATION

Reasonable steps are taken to minimise noise and vibration on vehicles and cruise vessels. You acknowledge and accept that some noise and vibration may be experienced and that Travelmarvel is not liable to you for any such noise and vibration.

SEAT ALLOCATION ON LAND TOURING

To ensure all passengers enjoy window seats and forward located seats, on longer tours a daily seat rotation system may apply at the discretion of the Tour Director/Driver-Guide. We do not warrant that the seat rotation will be adjusted to suit personal preference.

MEDICAL ASSISTANCE

Kimberley Coastal Cruises have an onboard doctor and infirmary. Passengers are responsible for all charges that result from visiting either the onboard medical practitioner or a local medical facility. Travelmarvel is not responsible for the type or quality of medical services you may receive.

LUGGAGE LIMITS

Land touring is conducted in 4WD vehicles with limited luggage capacity. Each passenger is requested to limit their luggage to one small/medium soft bag or suitcase weighing no more than 16kg (35 pounds) and with dimensions of no more than 66cm length x 35cm width x 32cm height. Cameras, make-up bags etc. should be carried separately. Should you have excess luggage, it is your responsibility to organise for this to be forwarded to your final destination.
