TRAVELMARVEL LAND TOURING

ESSENTIAL TOUR INFORMATION

Bridestowe, Tasmania

KNOW BEFORE YOU GO

TRAVEL INSURANCE

Travel Insurance is not included in your holiday package. We strongly recommend that you take out comprehensive travel insurance that covers, without limitation, the full cost of your holiday, medical costs, medical evacuation, loss of luggage and any additional charges for cancellations due to both land and air disruptions, natural disasters and industrial actions such as strikes.

Please ensure that your insurance covers you for the entire duration of your trip, and check what circumstances and activities are not included in your policy. Please ensure that all pre-existing medical issues are declared to the insurer so that non-covered conditions are identified in advance. You should have the details recorded and accessible in the case of an emergency.

ALLERGIES AND DIETARY REQUIREMENTS

If you have any dietary requirements or allergies that need to be managed while travelling with Travelmarvel, and you have not made these known already, please advise your booking agent as soon as possible, as well as your Tour Director upon arrival. Most suppliers require advance notice to accommodate these requirements and in some cases you may be required to fill out a form or waiver. Every effort will be made to fulfil requests, but these cannot always be guaranteed

SEAT ROTATION

Please note, to ensure everyone gets to enjoy front and window seats, a daily seat rotation system will be employed.

WHAT TO PACK

Luggage

We ask that you pack your required items into one suitcase, which is to weigh no more than 20kg (44lb) and measure (length + width + depth) no more than 160cm (63 inches). Please check your suitcase does not exceed these requirements for your own convenience and enjoyment of the tour. Due to strict regulations on vehicle weight and the limited luggage capacity of planes, we are unable to accommodate excess or overweight baggage. Travelmarvel tours include an on-tour baggage service, allowing one standard suitcase per guest.

Clothing and Footwear

What you should pack depends on personal preference. Most guests dress casually on tour. However, if the group is going into town, you may want to wear something a little dressier. We recommend that you consider the time of year you are travelling and bring a variety of warm and cool clothing to suit the climate.

The Pinnacles, Western Australia.

STAYING HEALTHY ON TOUR

SEE YOUR GP

Your GP or travel clinic is the best source of information about preventative measures. We recommend consulting your GP or local travel clinic for personalised medical advice to support your pre-travel preparation. Please take a copy of your travel itinerary with you to assist with recommendations for any required or appropriate medications. If you have health problems, ask your doctor to prepare your medical history for a doctor, should you need to see one on tour. It should include your name, address, emergency contact, blood type, medical history, current medications and dosages,

drug allergies, reasons for prior hospitalisation and a list of vaccinations and dates. Pack sufficient medication for the duration of your tour. Your medication should be kept close at hand in your purse or carry-on bag.

TRAVELMARVEL HEALTH AND SAFETY PROTOCOL

Travelmarvel has created Health and Safety protocols that all our Driver-Guides and Tour Directors are required to adhere to. You may be requested to assist in reducing the spread of viruses if you are showing symptoms while on tour. If you are showing

symptoms of a cold or a virus whilst on tour, you may be asked to wear a face mask, have meals in your room instead of the dining room, or remain in your room until the symptoms improve. Refer to our website for our most up-to-date protocols.

SUN EXPOSURE AND DEHYDRATION

The weather will be variable on your tour. Drinking plenty of water is important to prevent dehydration. A hat and a high-protection sunscreen are vital for preventing sunburn, even on overcast days.
