

# ARIA AMAZON

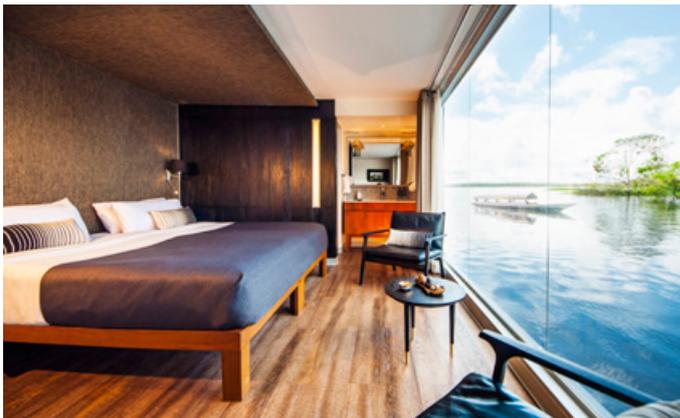

## *Deck Plan*

Along with its sister ship, Aqua Nera, Aria Amazon is the most luxurious ship on the Amazon. Purpose-built for remote exploration, this intimate vessel includes just 16 suites, making for an intimate adventure. Its three decks feature an abundance of social spaces, while the inviting interiors of your suite will make you feel right at home.

★ Guests: 32   ★ Crew: 26   ★ Passenger Decks: 3   ★ Length: 45 m   ★ Built: 2011

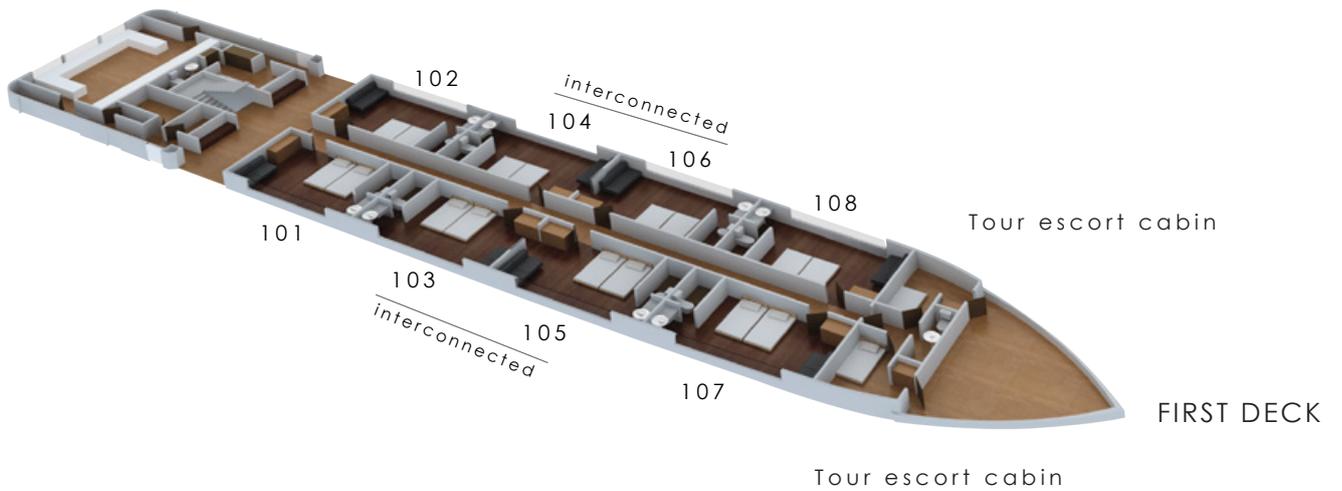

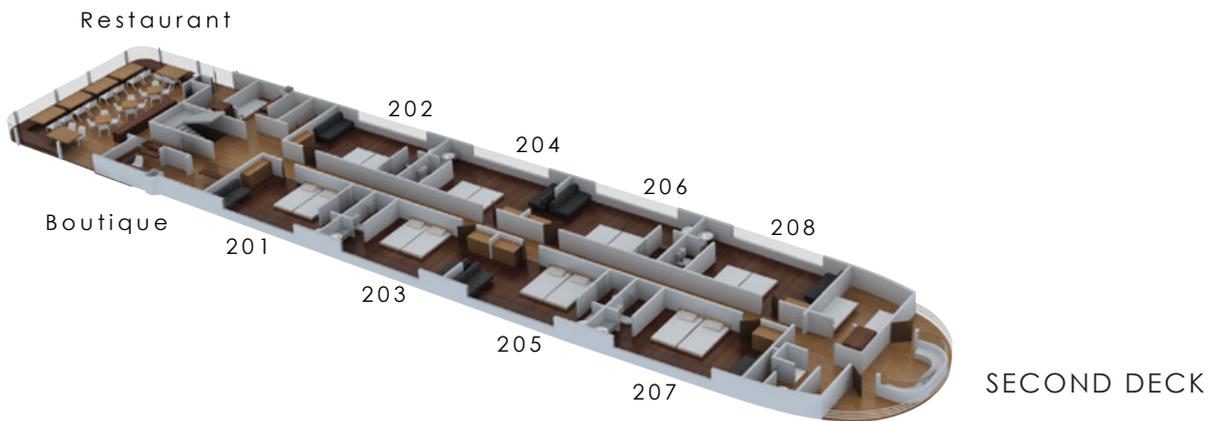

## *Suites*

23 sq. m

Occupying the first two decks of the ship, suites feature stylish interior design, air-conditioning, and ensuites with a spacious walk-in shower. Your comfortable suite will also provide you with unmatched views of the Amazon, courtesy of its expansive floor-to-ceiling windows.
